The Club would like to thank our Parents & Friends who donated prizes in 2021 and all volunteers for their ongoing support and commitment throughout the season.

Special thank you to Simone Skinner-Smith and Frances Borg for the many photos and social media coverage throughout the year.

PRESIDENTS REPORT

2021

Luke Mann

2020 was a tough year and we battled as a club and community to get rugby happening, 2021 was meant to be the light at the end of the tunnel, a full season of rugby. Unfortunately, that was not to be the case, one airport transfer by a mask-less uber driver from Bondi led to hard lock downs and effectively ended our season.

On the positive the club continues to lead the

Randwick Juniors in playing numbers (315) and teams (21), and we aim to provide as many locals as possible with the opportunity to play for the Eagles. Running a club like this cannot be done without the support of our volunteer army. The great people who give up their time regularly to get involved and make this club happen, I send out my largest thank you to you all. There are so many roles required throughout the year from coach, manager, assistant referee, ground marshal, committee member, BBQ helper, fundraiser etc and without all these volunteers the rugby would not be possible. Tim Blight specifically winds up his Eagles Registrar role this year, he has had a tremendous impact bringing our club forward, updating the website, enabling e-commerce and tireless work on the registration process.

As a club we are lucky to have great sponsors, I would like to call out Alexander Phillips of Phillips Pantzer Donnelly, The Clovelly Hotel, Wonder White, Heartland Motors, and Bendigo Bank. We appreciate your support, we would not be able to deliver what we do without your financial backing.

Disappointingly this is the second year in a row that we had to cancel the New Zealand tour for our Under 12 teams, an unfortunate outcome and we have loved having them and their families as part of the Club. They will forever be Eagles, and we wish them all success on their rugby journey.

2021 despite being shortened we implemented a few initiatives that we aim to build on in 2022.

Specialist Coaching (focusing on key safety areas)

Damian Costello (Coz Sprint) providing expertise and consistency across all the age groups, covering the basics of tackle through to rucking and mauling Matthew Bowman (Randwick Rugby) – providing expert Scrum tutelage

Social Media Presence – Launch of Instagram

Massive lift in our presence and quality of postings (thanks to Luke & Simone Skinner) please support us by following #clovellyeagles

2022 Areas of Focus

Your feedback

We want to hear more from the Clovelly family – we will use survey tools to learn more about what you want and need

Coaching is fundamental

Build on the specialist coaching for our players and volunteer coaches

Investing in our volunteers – opportunities for courses to improve coaching and provide more tools to have maximum impact

Grow our community of Rugby

We are looking to create more opportunities for rugby adventures – across all age groups, we will be seeking parental feedback on interest and timings

- Coast to Country Cup – with Camden
- Coast to Coast Cup – with Terrigal
- Return of the NZ Tour for Under 12s

As we look forward to 2022, it is also a time to celebrate, it will be our 60th Anniversary as a Club. We expect to hold several events to celebrate the Eagles, the first of which will be at The Clovelly Hotel in March for our Season Kick Off celebration. There will be a 60th Anniversary Clovelly Retro jersey available to order for supporters, parents, past and present players. Keep an eye on Instagram for details. We really hope everyone gets behind the club and celebrates this milestone.

Up the Eagles!

Luke Mann

CLUB TROPHY AWARDS 2021

The Patrons Cup

The team playing to Club motto. The current patron of the club is Glen Joseph, he was the president of the Eagles from 2000-2001. Glen took on the role at a time the club was struggling with only 8 teams and a lack of numbers, his drive to improve and grow helped change the direction of our club.

U10 Blues

Club Supporter of the Year

The award goes to the individual who best supports the club.

Iain Byrne

Shawn Mackay Club Player of the Year Award

The award goes to the player who shows qualities such as leadership, sportsmanship and cooperation. Shawn Mackay (1982-2009) was a Clovelly junior of immense potential playing 123 matches for the Eagles. A talented backrower who captained the Australian Rugby Sevens team (2005-2008) and represented the Brumbies. Tragically he lost his life in Durban whilst representing the Brumbies.

Finn Byrne

Chris Whittaker Award

The award goes to a player that shows the most potential in a minis team. Chris is a local junior who played 106 matches for Clovelly, his family were massive supporters of the club who are both Life members. His illustrious rugby career included representing Randwick, the Waratahs (107 matches) and was Wallaby 747 (31 tests played, Captain 1 test). He is currently assistant coach to the Waratahs after overseas experiences in Europe.

Jude McDermott

Col Windon Award

The award goes to a player that shows the most potential in a junior team. Col Windon (1921-2003) was a former patron of our club, a WWII veteran and rugby legend. Arguably Australian rugby's greatest ever flanker and undoubtedly the Wallabies premier attacking flanker of all time. He played and coached Randwick. Represented New south Wales, and become Wallaby 337 (20 tests played, Captain for 2 tests). He was as inaugural inductee to the ARU Hall of Fame.

Jackson Gray

CLUB TROPHY AWARDS 2021

Exceptional Achievement Award

James McDonald

Greg Killeen Award for the Most Improved Minis Team

Greg played for the Eagles from 1975-77. He was seriously injured in a tragic accident whilst touring New Zealand in 1977 with the U15 team. This trophy was dedicated to Greg in 1978.

U9 Whites

Wally Meagher Award for the Most Improved Junior Team

Wally (1903-1966) played 100 first grade games for Randwick from 1923-1930. He represented NSW in 1929 and wallaby (8 tests). He was the Randwick coach from 1931-1953, president of NSWRU and Randwick club. He is widely acknowledged and the innovator behind the Galloping Greens running rugby. He also opened the first meeting to constitute the Clovelly Eagles club.

U11 Blues

Kelly Clifton Award for Exceptional Female Player Achievement

Kelly Clifton is the first female to play over 50 matches for the Clovelly Eagles. Playing with the eagles since 2015. She is a great example to all rugby players and hopefully we continue to see growth in participation.

Harlow Taylor

Jimmy Lane Award - President's Award for Excellence

A former vice president, Randwick Rugby Club, assistant president, ARU and co-founder of Randwick Junior Rugby. In the early 1960s Jimmy was nicknamed "Mr Randwick". Father-in-law of past president Graham Geering and grandfather of Clovelly players Michael and Peter. When Jimmy died, his wife dedicated the trophy to the Club.

WHERE ARE THEY NOW?

Past Eagles Players

Spotlight on Tom Wright – Wallaby #939

Tom Wright, a proud Eagle, made an amazing Wallaby debut against the All Blacks last year, immediately showing his class, scoring his first touch as the Wallabies won 24-22. Tom is a versatile outside back, currently showing his skills on the wing but a utility who can cover any position. Tom has established himself as a part of the Wallabies campaigns in 2021 and we wish him luck for the Spring Tour to Europe. Tom's name features prominently in our Club records with a number of features in our top 20 Performances, playing for the Eagles from 2002-2009 (132 games). Tom attended St Joseph's College, a great rugby nursery, before spending some time with Manly-Warringah Sea Eagles with an NRL debut in 2018 against the Brisbane Broncos. Luckily for rugby he saw the light, joining the Brumbies and returning to Randwick. We are very proud to call Tom an Eagle and we hope the whole club can celebrate his ongoing achievements. He is a great role model for our club and our players.

Super Rugby Eagles

Current Eagles Ben Donaldson and Will Harrison continue to impress with the Waratahs, tremendous talents that throw their support behind the Eagles whenever they get a chance.

SEASON LAUNCH 2021 BBQ

After a disrupted 2020 season, anticipation for the 2021 Clovelly Eagles season to get going was at an all time high!

With a huge 315 kids registered to play this year, the season launch at Burrows Park in mid April 2021 was a great success. It was the first time in a long time we had such a big Eagles Community event after the 2020 presentation day was washed out twice, and the atmosphere was buzzing.

All the teams were able to collect their new kit, along with a new training jersey and an old school branded Beanie. On top of that we were able to sell lots of the highly sought after Eagles stash in the form of Hoodies, beanies and caps.

The BBQ was cranked up with many volunteer parents ensuring all kids and plenty of parents were fed and watered. Local MP Marjorie O'Neill popped her head in to say hi, and we were able to start the season on the right note!

Here's to many more socials in the future as Covid restrictions are eased.

Coach Stuart McKay
Manager Shaun Connelly

It was the U6 White teams first rugby union season and it took a little time for the boys to find their feet, get a feel for the rules and the aim of the game. However, over the course of the season, it was amazing to see them grow from a team of strangers to forming close friendships and learning some great footy skills, even if it was cut short due to Covid.

Throughout the first couple of training sessions, coach Stu showed immense patience and had the superhuman ability to get the boys attention and build some structure into the training sessions. We certainly had some characters in the team and on occasions it was hard to get the boys focused during training, some were easily distracted searching for bugs in the grass or chasing a stray dog across the field! Stu quickly learned over the coming weeks how to get the boys working together and building the defensive and attacking skills they would need for game day. At each training session the team became more focused on the drills and really enjoyed catching up as a team on Wednesday afternoon.

Early in the season, defence wasn't the team's strength but after a few games the boys really figured out how to hold the line and it was great to see them working as a cohesive unit even if we had a few stray players running of the field for a toilet break or for a much-needed drink of water.

Clovelly Eagles JRFC

It was great watching the boys get some real game experience during the first couple of matches and a couple of team members were natural footy players. Sandy and Will demonstrated lightning speed and an ability to find the try line on numerous occasions during the first game which continued throughout the season with Sandy finishing up as the team's top try scorer. By the end of the season, Will was covering the whole field trying to prevent the opposition from scoring.

Jake, Rian, Darcey, Hugo and Thomas played some great rugby and demonstrated real commitment to the team during each game and training sessions and showed glimpses of their future potential, we are looking forward to seeing them develop over the next couple of seasons. We lost Hugo early in the season due to a deep cut in his foot which required stiches, but he managed to re-join the team for the last game of the season against Clovelly Blue.

Louie, Henry and Caelen showed real enthusiasm for the game and were always keen to take the ball, dodge the opposition to score tries as well as chase down the opposition in defence.

All the parents were extremely helpful and provided great support from the sidelines. Everyone was more than willing to step in and help where needed, creating tunnels for the team to run onto the field, providing direction to the team member with the ball and best of all cheering the U6 White's on from the sideline. Even though it was a short season the boys became great mates as did the parents and we hope to see everyone back again next season to continue building their skills!

Coach Ben Carney
Assistant Coach Jonathan Kane
Manager Jason Maxwell

The Under 6 Blues started the season with a fantastic group of kids who were extremely enthusiastic and seemed to have endless reserves of energy. The team came together well, vigorously participating in both training sessions and matches. Despite the season being cut short, all the boys in the team demonstrated impressive growth in their rugby and teamwork.

The boys were coached by a very keen to learn Coach Ben Carney and the experienced and enthusiastic Coach Jonathan Kane. The support of the parents and carers of the boys was exceptional, with a solid crowd in attendance for all training sessions and matches. Parents regularly pitched in during training sessions and on game day. Manager Jason Maxwell kept everything on the rails throughout the tumultuous season with constant communication and endless encouragement.

Every member of the U6 Blues made important contributions throughout the season, both through teamwork and individual performances. Olly Harris was a trying scoring juggernaut, confidently running in a hat-trick of tries in every single match, with the exception of what was to become the final game of the regular season where he helped himself to four tries, bringing his final tally to 19. Olly was equally productive in defence, making many try saving tags and was therefore awarded the Best and Fairest Award. Congratulations Olly!

Lennox Yates kept opposition teams guessing with his strong changes of direction while making valuable yards for the team. Harvey Kane also kept the opposition honest with an impenetrable defence and some excellent running of the ball from the breakdown resulting in more tries for the team. Jesse Maxwell regularly used his turn of speed while running the ball,

and in support, contributing many valuable yards gained and one memorable try.

Tom Marshall's constant presence around the ruck lifted the team, with him contributing some solid yards in attack and subduing the opposition ball carriers in defence. Tom made a consistent effort to become involved in training and on Match Day. This contributed to him being the Most Improved Player. Congratulations Tom!

Rowan White's seemingly endless energy reserves constantly kept the opposition under pressure throughout the season, with many last-ditch defensive efforts and multiple scoring runs down the sideline to keep the scorers busy. Ted McLean's presence on the field constantly dismayed the opposition with his crafty ball running from the breakdown and tireless defensive workload. Mitchell Carney was determined to keep the ball moving forward with some assertive straight running and multiple try-assist offloads including one off his much practiced "no-look" pass. Zac Brookshaw was a titan in all facets of the game, with his pace keeping opposing ball carriers harassed and running in multiple tries including an exceptional hat-trick against the Bays.

The team's extraordinary attack often had them scoring off the first or second phase while their defence usually saw them holding out the opposition teams over many phases.

The team improved continuously throughout the year and were really carrying some momentum when the season was prematurely cut short. Importantly, they improved immeasurably in their skills and teamwork, while having bags of fun and making some great mates. We look forward to seeing them continue to develop as rugby players throughout their career.

Most Improved: Tom Marshall
Best and Fairest: Olly Harris

The lads (and Chloe!) were itching to pull on the jerseys again this year after their inaugural season mostly spend figuring out which try line to run towards. We had well and truly figured that out by the start of this season though, and were getting pretty bloody good at running towards it, fast.

We opened our account with a quick scoring win against Coogee White which really set the pace for the whole season. Hidde once again showed why we should be making sure that his whole family are immediately given Aussie passports so he might one day play for Australia. Jack C and Cam gave Hidde a very good run for his money in the top scoring stakes though, each pulling in a massive haul for the season. Chloe and James were absolute rocks in defence – and were getting in practice for tackle next year. The game really seemed to click for Will and Wilbur this year – with some good tries and great running work. Zac and Jack both had an incredible first season – slotting into the blues line up like old veterans.

The season culminated in the Gala day at Narabeen where the team were undefeated, and played the best rugby we've ever seen them play. Lots of proud parents and siblings looking forward to 2022.

Although short, 2021 was a successful season for the U7 Blacks, going through undefeated following a narrow first round loss. The regular season finished with three wins, two draws, and a loss, and included bragging rights in the inter-club derby against the Clovelly Blues. The Blacks were also undefeated (two wins and a draw) on a wet and cold day at Narrabeen for what turned out to be the end of season gala day.

The bulk of the team returned from last year and the side was bolstered by a couple of newcomers. Eased restrictions meant the half time oranges made a return to the side-lines, but the end of game lolly snakes were clearly the favoured treat.

Coach Pat also returned, and again demonstrated enormous reservoirs of patience and goodwill in leading the boys. Particularly impressive was Pat's ability to convince the boys to focus on footy drills and resist the siren-song of the Burrows Oval exercise equipment on cold Wednesday afternoons. The team's continued improvement and strong results throughout the year are a testament to Pat and the rapport he has developed with the boys.

Clovelly Eagles JRFC

In his first year playing, try scoring juggernaut Charlie Behr led the way, with an impressive 19 tries in just six games, demonstrating the value of straight running and enthusiastic support play. Will Dawson, often running off Charlie's hip found plenty of gaps on attack and was relentless in defence. Speed demons Bond Mangan and Tommy Henry both showed clean pairs of heels and a nose for the corner in carving up opposition defences.

Muaaz Ahmed improved in leaps and bounds through the season, with some incredibly elusive running and a couple of length-of-the-field tries. Louis Skinner, similarly, had another great year, improving his all-round game and scoring a couple of clutch tries

Theodore Gray was tireless in support with consistent meters in attack, a number of tries, and good contributions in defence. Liam Esplin, new to the team, was an immediate contributor and tireless in defence – often stopping the opposition from crossing the gain line.

Thomas Fanning returned to his role as the defensive enforcer for the Blacks, forcing turnovers and keeping out many tries. Henry Smith put in another great year, and a match winning all-round performance in round 4

Despite back-to-back abbreviated seasons, the Clovelly U7 Blacks continue to show great progression and development, with a strong and supportive team culture. The boys were a pleasure to manage, and we look forward to continued success and enjoyment in the blue & white in the winter seasons to come!

At last we can tackle! The boys have been wanting to tackle for some time, the game started to be real.

Our first session this year was different because added skills and disciplines were a part of the U8 season. Uncontested line outs and scrums were a good taste for a more controlled and open game plus the added benefit of tackle!

Most kids were eager to tackle as they had played league in previous years or watch the Union and League on TV. Teaching them was a slow but simple process that they all instinctively picked up in 2 or 3 training sessions.

After a pre season of scrums, line outs, rucks, mauls and tackle the boys were ready for their first real game of Rugby.

The boys didn't disappoint. In fact, the teams that were close to us in prior years were being blown out of the water with our newly transformed players who were willing and able to play the game very physically plus exude some flair in the open space.

The forwards and "tackling machines" included Harry, Carlos, Lucan, Noah L and Tommy who dominated up front with some devastating tackles which at times was only the beginning when they learnt they could then rip the ball off the other team and score full field tries.

The backs dazzled with passing and running from the speedsters Archie, Saxon, Tolemei, Noah T, Ernie and Xavier. Not only were the boys running to the corners for tries but when they were realising the other team were as fast they adapted and used their side steps "up the guts" and started to utilise the "drawing" of the opposite players.

The boys deserved to go through the season undefeated, albeit shorter than normal due to Covid 19.

It was an honour to coach this great group of kids, who no doubt will remain friends forever and hopefully don a Wallabies jersey one day!

The U8 Whites had a sensational season, packing some very impressive rugby into a short but powerful performance. They trained hard and carried that focus and passion onto the field. They began on the front foot, taking the game to the opposition and dominating in defense. Powerful performances from Andrew Brown stopped the opposition in their tracks. Theo Macan was a force in defense with perfect tackle technique. Their physical presence in defense insured we never took a backward step.

Our cleanout at the ruck, provided us with quick ball to service a very eager backline. Freddie Caie was always ready to take the ball on with speed and good running angles assisted with his solid palm off. Freddie also defended well putting in some excellent tackles. Leo Murphy was also a great ball runner, an exciting utility player around the field, in both defense and attack, who can turn on the speed when he needs to.

Our game plan pivoted around the leadership of our nominated scrum half. Elliot Kane showed patience under pressure in this role, controlling the pace of the game and communicating well with forwards and backs. Lachlan Soulos impressed as a forward or scrum half by taking the ball on well from the back of the ruck, making many yards and scoring tries. Billy Macan recycled quick ball from the ruck and attacked close to the breakdown keeping opposition on the back foot. Harry Lloyd really took to the physical contact game allowing us to string phases together with solid tackles, muscling up at the breakdowns and protecting the ball in contact.

Hudson Rowe was thrilling to watch, a great athlete with size, speed and strength who created opportunities from anywhere on the field. Alex O'Brien was awesome as always. As games can at times descend into chaos,

Clovell's Eagles JRFC

Freddie Caie

Theo Macan

we could rely on Alex to restore order by executing our game plan, putting himself in good positions, running and tackling hard.

Our attacking game was incredible but our real strength was our ability to turn over the opposition ball. We scored more tries in defense than we did in attack due to smart tactics by the boys. Their defense formation allowed for good tackles, holding the opposition up and forcing a maul situation. This teamwork allowed us to isolate their ball carriers, winning the ball and launching quick counterattacks. Elliot Webster was a master at the defensive maul creating countless counter-attacking opportunities, clocking up a huge try tally with his devastating speed and endurance. Another master at turning over the ball was Lachlan Walden. Lachlan was always hungry for the ball and had perfect mauling technique, with a vice like grip on the ball. He used a low center of gravity to relieve the opposition of the ball and counter strike with speed and great running angles.

The team made their full contact rugby debut with great enthusiasm, demonstrating skill, physicality, and smart rugby. We look forward to watching these boys continuing their development next season.

A massive thanks to co-coach Ken Robinson and our manager Summer Cummins.

As Under 7s, we finished the 2020 season winning the Big Burrows Mug. Often described as the most important trophy in Minis Rugby Union. Yes - we ended the season on a massive high . . . but we didn't rest on our laurels. As soon as the 2020 season ended, we commenced pre-season training for U8s.

With plenty of off season training, and a solid pre-season starting in March, the U9 Blues are going to have a massive 2022!

U8s is a big step up from U7s as it's the first year of tackle and ruck. So practicing our tackles and our rucking is what we did! Sessions consisted of 20 tackles on each shoulder on the tackle bags. The BIG bags. Just to warm up. Followed by ten laps of "pick and drive". Up and down the hallowed turf of Burrows.

Up the guts!
Hit the deck!
Place the ball!
Clean out!
Bridge!
Pick n pass!

Hundreds of meters of pick n drive. Dozens and dozens of phases. Then, as we got closer to our first game, we added in set plays from kick offs, scrums, and lineouts.

All 9 of our U7 players returned - and early in the season we welcomed new player Hayden. A very good recruit who loved a "meat pie" or two. In the trials, we won two of our three games. In the season games, we had some very good wins and some very close losses. Our only big loss was to the Clovelly Greens.

The highlight of the season was the Narrabeen U8 Tournament where we won three of our 4 games – and won medallions for 100 points in a tournament.

An awesome season cut short by the menace of 2020/21 aka Covid. A new team for the Eagles with a great group of young men brought together by a love of all things rugby.

The team was a collection of talented players, each bringing something positive to the group and highlighting their impacts in different games and ways. The team and parents did not take long to build cohesion and a style of play that was well beyond their years.

I honestly enjoyed not only coaching the team but watching them play rugby. They played the game with flair, continuity, clean outs, and passion. The phase play was not one dimensional in nature and the boys flourished as the season progressed. It may have been a short season, but it was successful. They were unbeaten in all matches (trials, regular season, and the gala event) but more importantly they played as a team.

Unfortunately, we can only give three team awards and I can honestly say that every player were competing for one of them. Most Improved went to Jack Shrimpton, he grew as a rugby player in every aspect during the season. Best Forward went to Jack Morahan-Saliba, the junior Michael Hooper of the squad, always giving 100%, hits harder than most grown men and a passion to improve as a player, a pleasure to coach. Best back went to Beau Clark a skilful player who showed elusive running coupled with a generosity of spirit outing a number of players over for tries.

Hugo Tonga – energetic player, always a cheeky smile. Dominates at the clean out which is unseen at this level and loves the ball in hand and using his amazing fend.
Beau Clark – great allrounder and generous friend, known to pass near the try line to share the wealth. Smart footballer, always thinking about ways to make an impact, stripping the ball, running to space, or clearing out.
Kai Williams – when he comes in low, they go down hard, a lethal tackling machine.
Zach Hatton – grew as a player all season, comfortable with the ball in hand, and showed tremendous resolve with some solid cover defence.
Nixon Clark – energiser bunny, low tackles, stripping and some great runs with the ball, showed clean heels and real evasive skills.
Jaxx Keane – the wrecking ball, don't get between Jaxx and a try line. Throws himself into everything and a corner stone of the team.
Jack Mann – building as a player, loved a hit up from a tap restart. Has height and size and had some great moments during the season.
Jack Shrimpton – grew every week, good ability to find space, never gives up bumping his way through tackles, and commitment in defence.
Mason Helliar – speed to burn, loved the ball in hand and open space. Showed his elusiveness on several occasions. Defence when focused was solid and I look forward to seeing him develop.
Noah Little – Cheeky character who has all the natural abilities of his dad. Strong speed, great movement, and a competitor.
Jack Morahan-Saliba – the competitor, competes for every scrap a breakaway at heart, his tackling is first class and his focus on improving his skills is amazing.

The influx of players to the Clovelly Eagles U8's saw the addition of a team aptly named the 'Greens' bringing some fresh faces and a new coach to the Clovelly Eagles.

With the season drawing to an early close just as the Greens were beginning to peak with the first win of the season. I'm looking forward to seeing what damage they will carry moving forward in their coming Rugby years.

The stats and scores hide the fun and commitment the boys had both on the field and at training.

Much of the team being new to Rugby Union in addition to playing in an age group incorporating tackling added to the challenge we faced against oppositions with a few years of game time together over us.

Every game saw the team connections, passing, tackling combinations improve forcing oppositions to adjust their game plans to combat our unorthodox approach to the game of Rugby.

Averaging a try a game Nicholas Kondilios took out Best Back with 7 tries and kept the opposition guessing with his elusive change over direction speed to burn.

Clovelly Eagles JRFC

Although not the biggest player on the field Will Haigh demonstrated that size does not matter on the Rugby Field with his tackling technique able to bring anything that moved to the ground taking out the award for the Best Forward. Not far behind were Charlie Dusseldorp and Winston Cross's huge frames bringing added front on physicality at the end of the season

It took a few games for Oli Robinson to get his groove on, however when he did his ability to secure the ball in contact earned him the Most Improved the Greens. The Most Improved award was tightly contested by Freddie Kennedy's over the ball efforts, Luca Robinson's commitment to following and secure ball as well as Alex Kidd's elusive change of direction.

I'm very confident that with a full-length season many more such improvements would have been seen across all players and I hope they come back next year.

Special mention goes to Elliot Kane from U8's Whites for backing up, playing, tackling, and scoring for our team after having had no reserves throughout the season.

Thank you to all the parents for support, coaching tips and assistance and here's to hopefully a great season in 2022.

Up the Eagles!

After an interrupted season last year we came back ready to go as we got stuck into our pre-season work. The management team had been working hard on recruitment over the off season and we welcomed Aimatai, Boyd, Harlow and Orlando as well as welcoming George back into the team.

With the new additions and the might of last year's returning U8s the team came together really well, we trained hard and started working on a bit more structure to our game. Building on last year's tackling we worked on looking after our mates in attack, linking our passing game a bit more and pilfering more ball in contesting defensive rucks.

It took a couple of games to get moving, including our second game v Maroubra when we forgot to tackle, but even then we showed great character to hang in and never gave up and were able to still muster 4 tries! From there things really started to click. It was really pleasing to see everyone getting involved and giving their all in defence, we didn't let in many tries and worked really well in the ruck to steal heaps of ball. Whilst there were clearly a few stars that were scoring some fantastic individual tries from anywhere, we also did well sharing the ball in attack and most got across the line.

One of the highlights of the season had to be the opportunity to play the curtain raiser for the Waratahs v Hurricanes at the SCG. After a pre-match pep talk from dual world cup winner Tim Horan we were ready to take the game to the Seahorses, a tight (but solid) win and a few highlights on the big screen.

We also got to play our first away games at the Narrabeen gala day, which the gang were great in ordinary conditions against Chatswood and Narrabeen.

Clovell's Eagles JRFC

I don't think that any of us expected that would be the last games we'd play this season as Covid take 2 arrived. We had really started to hit our groove and I was really excited to see us take on the second half of the season, but alas we'll keep it in reserve to take it to U10s next season!

As always a special shout out to our manager Lindsay for getting us all organised both on and off the field! Also to Dan and all the Dad's, for helping out with training or on game days.

Thanks to the kids for really giving their all with the games we did get to play this year, it really felt like it came together. We scored heaps of tries, we tackled anything that moved but we had heaps of fun along the way! Thanks also to all the parents for the support and for cheering us on every week. Looking forward to preseason training soon. Up the Eagles!!

It was a short season with just the one loss for us, but it was to the other Clovelly team who finally beat us for the first time, well done! This year, we welcomed some new players to the team and they settled in very well. Cannot believe the team is moving on to Friday nights next season.

Angus Ireland is one of our new players who comes from a Crocs background. This you can tell from his big hits throughout the season - once he knows you, he will tackle you!

Archie Francis, another newbie, started extremely well and in his first game received player of the day with some serious tackles - always on alert and very reliable.

Archie Lydiard joined us this year and is a real threat – zigzags across the field, unstoppable and relentless in his pursuit for the try – great job!

Callum Bowcock gets stronger as the season progressed; he's a big hitter and can turn it on with some great driving runs: keep going Callum!

Charlie Harwood, second season for the Eagles and is reading the game better and better each week. He has a real eye for the ball and is a great playmaker – looks like the No. 9 is all his!

George Nixon has played more games than any other player has. He loves to run with the ball in hand and is always there in support of his team: another fantastic season George!

Hamilton Gill another of our new players is not afraid to get stuck in to the play. Great addition to the scrum in the forward pack especially thinking ahead for next year.

Jenson Crocker is stuck into any tackle no matter how big the opponent, great engine and no matter what, always has a smile on his face: well done Jenson.

Jude McDermott has an amazing understanding of the rules of the game at such an early age. Winner of countless penalties and turnovers of the ball, a deadly tackler and a team player - this guy's coming for you Hooper!

Liam Knibbs, at first glance, everyone said second row because of his height, then he ran, and kept running and scored. He is a great addition this year and a fantastic back to everyone's surprise!

Thomas Walden's performance improved on a stellar effort last year. He was an outstanding, tackler this year and managed to score try after try: great to watch this future star!

William Hindmarsh successfully completed some amazing try saving tackles this year as well as scoring heaps of tries. A great player we are looking forward to next year with him.

William Horsfield had a great season and was so close to tries so many times. Finally, against Bays he got his well-deserved try: Love the attitude!

To all the parents and supporters, thank you for all your efforts and contributions to U9 Blue team this year. It has been a pleasure to be part of such a great team.

It was another enjoyable half season for the Clovelly U10 Reds. This season saw the return of nearly the whole team from last year and we welcomed several new players too. The year began with some well-intentioned pre-season training sessions to get the boys ready to play in positions this season and with contested scrums and line outs.

The Team started strongly with some promising performances in the short format trial games. When the competitive games began, we played well against some tough opposition but unfortunately came up short. The effort of the boys could not be faltered and unfortunately on a couple of occasions the score blew out in the final 10 minutes of the match. Despite a run of losses, the boys were always keen and ready to go on a Monday night for training and we had some enjoyable sessions. Thanks to all the parents for keeping the spirits of the team high and getting them along to training. What turned out to be the final match of the season was a great win against Burraneer. Despite the terrible wind and rain the boys clearly wanted to play and put in a great team performance which was worthy of their efforts.

With the team just hitting its straps and a favorable draw to the second half of the season it was no doubt frustrating for everyone that Covid put a close to the season with so many games left to play.

It was really pleasing to see how well all the new players settled into the team and a couple of them had some outstanding performances resulting in Jack Sargent receiving the best back award and Sam Crawford the best forward award. The always reliable Oscar Tindall received the most improved. No doubt we will be a force to be reckoned with next season.

A big thankyou to all the boys especially those who found themselves playing out of their preferred positions. Dugald and I are looking forward to seeing you all next season and once again thanks to the entire parent group for your involvement and assistance it is much appreciated.

The year that should have been. Before the season began both Brad and I agreed it was time for the boys to start playing actual Rugby. We set the boys a challenge that if they listened and did everything we asked of them at training, by the end of the season they would know how to play a Randwick style of Rugby that they would love.

Not only did these boys love learning this style of rugby, but they also instantly saw what they could do. On a bigger field they realised that their ability to move the ball into space meant they racked up a large number of points quickly. The boys displayed amazing skill and teamwork in attack which showed in their results scoring an average of 47 points per game. The boys defence was just as impressive, they tackled everything that was thrown at them and worked together to achieve an outstanding achievement conceding only 31 points.

Clovelly Eagles JRFC

We gained 5 new players this year who all fitted straight into our rugby family. This was made possible by our existing fantastic group of parents. Brad and I would like to thank you for trusting us with your boys and always supporting us. Our numbers at training are always high thanks to your commitment. A special mention to all of you who took the time to do the touch judge course, assisted with ground marshalling and lent a hand at training. We also managed to squeeze in a great team family dinner.

As always, I couldn't do this on my own. I am very lucky to have the best manager Amanda, who makes everything run so smoothly and has all of us organised and ready to go. Coaching with Brad is always enjoyable and I know the boys appreciate hearing a different voice to mine.

Coaching these boys is an absolute privilege and it's a part of my week I always look forward to. Hopefully next year we can have an uninterrupted season for the boys to enjoy. Bring on 2022!

2021 wasn't an easy one for the mighty Blues, but it was undoubtedly a rewarding and fun season for the team.

Whilst we lost a few regulars from prior years, we were also pleased to welcome a number of great new players to the club. Our summary below is addressed to/about the boys individually, but we are even more proud of how you all became a team over the season:

Franklin and Boyd did a fantastic job anchoring our scrum. Both these boys should be very proud of their efforts during the first year of contested scrums;

Our "twin towers", Jake and Josh gave us a much needed size boost (both in the tight and loose). Jake – a couple of your performances in particular demonstrated great leadership and talent that you should be proud of

Jack Yarrow – I loved having my nephew join the team and he was the ultimate team man. Keep going Jackie Boy!

Wills – you have all the skills to become a very good player. You're talented and tough. Thanks again to your dad, Michael, for being assistant coach, referee and even security guard during a game or two!

Charlie – you're a hard player to tackle. Even for the coaches!

Bobbi, Aiden and Elias – we all loved having you join the team, and we really enjoyed seeing you develop your running and tackling skills as the season progressed;

Tobias – "you can't coach speed"! Clovelly (and the senior clubs in the area) should keep an eye on Tobias. Our top try scorer and also has a big boot.
As for the "regulars":

Owen – you've been the cornerstone of this team for years. You will excel at whatever sport/s you choose to play, but as a rugby man, please stay with our code. We love your kicking game and physicality!

Rory and James – you're both "born half backs". Tough, good organisers and you both love "the contest". Champions!

Toby G and Toby W – two of our favourite players. You've both been Eagles for years and we hope you keep coming back.

Hudson – you made some of the biggest hits of the year against opponents twice your size. You're a natural rugby player and I look forward to seeing you develop even more,

Louis – you moved into the forwards this year because we thought you were wasted with that tackling appetite in the outside backs. You're tough and you love the contact. Clearly not in the DNA!

Will L – as always, Will made many of the "plays of the year". Long range tries and amazing try-savers.

Also, a huge thank you to Adam Palmer for all his help both a training, game day and in the selection room! Mate, you were an awesome co-pilot and the boys really responded to you all season.

Congratulations to everyone involved in the team this year. It wasn't easy, but the most important thing about our rugby is developing life-long friendships and striving to improve – and we had great success with these things in 2021.

Well done the Mighty Blues!

The season started with a significant beefing up of our ranks as we welcomed 8 new players to the squad. Conor, Oscar, Cooper, Zack, Jude, Talin, Charlie P and Marcus all brought something to the group. Whilst they are all promising footballers already, I know that Rugby Union was new to most of them, so they did a great job getting their heads around some of the more technical aspects of the game.

The step up from minis to juniors was significant, not just that we were playing the full length of the footy field, but also the level of physicality. The first couple of rounds were a wake-up to us all with some of the oppo flying into rucks and reminding me why I coach and don't play anymore. I'm told by the boys that there were punches thrown in some of those games, which we never want to see. Whilst this was disappointing to hear, it also sparked them into life. I could not have been prouder than when they turned up their intensity in the Coogee game to go ahead with 4 minutes left to play. Whilst we ultimately went on to lose in the final play of the match, for me that was a major turning point.

The last 3 games of our season were blow out wins which gave us some much-needed confidence, but we were left to wonder what might have been with the real challenges of the season against The Whites and South Coogee not going ahead due to Covid.

Having forwards who commit to the ruck to ensure you win the ball are the foundations of any successful team, and I'd have to single out Charlie P, Cooper, Tom and Charlie H for regularly putting their hands up to make sure that happened. Hugo was ever reliable with recycling the ball when taking it into contact, whilst Zack, Joey and Conor would often go on bullocking runs carving up the other team.

In the backs Harry and Jude shared the half-back duties, showing good decision making when trying to remember the different options we had. Jackson at 10 developed his control and passing game as the season went on, with Oscar and Jack making good runs and some solid tackles. Our speedsters Talin, Marcus, Louis and Oli were lightning quick when they backed themselves on the outside, scoring at will.

Most improved: Conor Allport – from not having played the game before to the level he got to in only 3 months was impressive.

Best forward: Charlie Pearson – just went about his business without complaint like all good forwards. Made some great tackles.

Best back: Oscar MacDomhnaill – the smallest guy on the field in height, but the biggest in terms of heart and leading by example. His tackling and commitment to the team were outstanding.

Thanks to the coaching and management team Larry, Scotty, Gav & James for all your help plus those others for running touch and Ground Marshalling.

It was fantastic to see so many of the boys return for another season, we also had some excellent recruiting which gave us the biggest playing group we've ever had! In fact, all the U11 teams had plenty of additional players and this made for some very competitive trainings, as the boys loved nothing more than having a run against the Whites and the Blues. This desire to smash their fellow Clovelly comrades was used extensively to keep them focused through the 'boring' bits of training. With the extra off-season academy training and the Mike Misson Agility sessions adding some extra speed and power to the contest! We had one very strong and keen squad in 2021 and unfortunately didn't get to see its full potential, however we did get see some great footy.

The three short round-robin games that became round 1 – 3 showed we had some real strike power with some great individual tries scored, along with a couple of very good team ones. It also highlighted who our toughest competitors were going to be. The South Coogee White team was very strong, having picked up some of the disbanded Maroubra squad from the year before. Both teams bashed at each other for 20min and only came up with a try a piece, so we knew the next match up would be tough. And it certainly was, no one likes losing but we were well beaten! They were very physical and pushed us off the ball consistently, while also running and passing well to score four tries to our one.

Clovelly Eagles JRFC

The following week we played Burraneer for the second time. They had been very strong in defence in our first outing, but we managed to get across the line twice to get the win. This was our first away game in the shire and although there seemed to be a lot of mindless energy before the game (like most games...) I think everyone was keen to make up for the loss from the week before. Personally, I really enjoyed this the game and think it this was probably our best game of the season. There was some excellent defence all round and fantastic work at the breakdowns, resulting in some very good team try's!

However, there must be something about playing your mates! The next two games saw us match up against the other two Clovelly teams, and for some reason the boys decided to bring out all their guns! It was a try feast for the Reds, which didn't really do justice to all the other teams results.

In the end it was a short but entertaining season, the hardest thing was trying to pick a team each week and then running subs... no one ever wanted to come off and within 30sec of being subbed they were pleading to go back on! You certainly can't beat enthusiasm!

I would also like to congratulate all those who were selected for the Randwick Rep teams – well done to everyone who trialled. It was incredibly unfortunate to not get to play – best of luck to next year!

Thank you again to Grant for managing everything and co-coaching, it would be impossible to do this alone! And thank you to all the amazing parents for your support!!

Coach Justin Harrison
Assistant Coaches John McCallum & Mike O'Brien
Manager Bill Morgan

Well, what is there to be said. It was a tough season, cut short by events that will live in the memory of us all.

It was a season which saw a changing of the guard in the coaching team and a real step up in the quality of the opposition. While our boys got bigger, so did the opposition, especially in the forwards. The increased skill sets both with ball in hand, at the break down, as well as positional organisation were also evident. That said, our boys battled hard and showed a great degree of resilience. The club motto was well illustrated in some brave performances, not least against South Coogee, where late tries showed the lads still had heart and grit, when many would have pulled up stumps.

First and foremost, in the resilience stakes was Felix 'Dynamite' Duncan, who quite rightly gets the Best Forward award this year. Felix has been a stalwart of the team for years, forever putting his body on the line, as well as making lung busting breaks down field.

Best Back this year goes to a relative newbie. Kingsley 'Tornado' Turinui who regularly set games alight breaking from rucks and scrums, as well as increasingly running the show with the likes of Jacob from scum half.

Most improved goes to Harper 'Warrior' Warnock. A great kid who after last year's injury curtailed season showed both skill and bravery with his outfield tackling, as well as a fine turn of speed.

I'd like to finish by saying a special thanks to Justin, John and Mike for their time, knowledge and enthusiasm, but most of all to the parents of the boys and the efforts you all make to support the team. Many thanks.

Tomorrow will be another day and next season another opportunity. We hope to see all the boys back for a full season and who knows we might get the New Zealand Tour too.

"Toughness is in the soul and spirit, not in muscles." Alex Karras

Short season. Big progress.
It's a tough start to the season when you lose 7 players. Usual stuff. Private schools. Rugby league. Interstate relocation. Perhaps even a couple to AFL and soccer . . .

We gained 6 new players . . . but 5 had never played real rugby before! League or Union. However, these new recruits were very enthusiastic. And very fast learners. And you know what? We did ok! Our scrum was the arguably best in the SJRU U11 Friday Night Comp. And our backs were even better than our forwards!

So how did we go? Well, we beat Coogee. We beat South Coogee Whites. We had a very close loss to South Coogee Reds. Our only big loss was to the Clovelly Reds. But in every game, our scrum was strong. Our lineouts were tall. Our backs . . . well, as I said, our backs were even better than our forwards!

We put the hard yards in every Wednesday at training – adding an extra 30 minutes to the standard session to finish at 7pm every week. We added an extra session on Monday afternoons. And most of our team took part in the Mike Mission “Speed & Agility” sessions on Mondays too.

A big thanks to co-coach Aya Larkin and our manager Jamie McCarry. Also, a massive thanks to the “Scrum Dog” Matthew Bowman for his work on our scrum. Best U11 scrum in Sydney!

With hard work in the off season - working on individual skills, fitness and strength – and solid pre-season starting in March (perhaps February!), we're expecting big things from the U12 Blues in 2022!

U12 RED Junior Competition

Coach David Griffiths
Assistant Coaches Al Baxter & Fraser McCausland
Manager Iain Byrne

It seems hard to believe that a team that started as wide eyed 6 year olds all those years ago have now finished their time as Clovelly Eagles. The Reds started in the first year of U/7s and have grown into a real family, taking on new players each year and growing to the squad of wonderful boys we had in 2021, who we are all extremely proud of. Sometimes in rugby, as in life, you learn more from losing than you do from winning, and this year we learned a lot. We learned that despite being the smallest team in the comp by a considerable margin, there was a lot of courage in our boys. At no point did we stop playing, even against the biggest of teams, and even when far behind on the scoreboard. We learned that rugby can be fun even when the result goes against you, as long as you are part of a team. We learned that when you have 22 players going into 15 spots (and a heap more backs than forwards!) that you can play in positions you might not think you want to, and still have fun and improve your skills. We learned that rugby at this age is meant to be enjoyed regardless of result.

As a consequence of our huge numbers (everyone wants to be a Red see...), and the fact no one could go anywhere, we had a circumstance in which most boys played half games regularly. For the most part they all took this extremely well, and did their best whenever they were on the field. Our front row of Finn, Harry G, Tamati and Luc tried hard against some huge front rows and never complained. Hamish, Tommy and Ned O were wonderful rotating through the second row, with Ned also playing his heart out in the back row as well. Henry B is a strong ball runner who will only get better when he realises how good he can be. Henry M was a revelation at

halfback this year, ably supported at times by Archer and Dylan who were both asked to play numerous positions. Ned R is a natural 10 with beautiful hands, and Sam was equally happy at 10 or as a crash specialist at 12. Augie and Aidan are both really strong ball runners, with Aidan showing his amazing footwork numerous times throughout the year. Edwin, Sullivan and Oscar all spent times in the outside backs, and also in the forwards, showing a great commitment to the team which was wonderful to see, and Bodhi and Harry M were our speed machines out wide, with Harry scoring tries he had no right to score. A big mention to Rory and Ed, who were both vital members of the team despite suffering injuries and being limited to a game each, yet still supporting the team. Stick with it fellas!

Congratulations to the award winners. Harry M has strong defence coupled with try scoring ability leading to his best back award, Finn led from the front all year and was a deserving best forward and Henry M showed huge improvement at 9 to take out Most Improved. Finn and Harry were rewarded with selection in the Randwick U/12s rep side and our younger members Henry M, Harry G and Edwin made the U/11s. Congrats to all.

While this year is certainly not the way anyone would have wanted to finish their time at Clovelly it has been a hugely enjoyable experience. We sincerely hope all the boys continue to play this great game in years to come, and look back fondly on their time as a Clovelly Eagle. I would like to say a big thank you to all the boys for being such fun to be around, I hope you have enjoyed your rugby and learned some things along the way.

U12 WHITE Junior Competition

Coaches Morgan Clifton, Chris Le Lievre & Matt Rudd
Manager Tim Blight

The last season for the Mighty Whites. Time to pull on the Clovelly Eagles Jersey one last time. After seven seasons of triumph, defeat, elation and injury, twenty kids lined up this year to field the full fifteen on a full sized field. Expectations were high after last years' undefeated run and we all thought Covid was in the rear view mirror. The season wasn't without its crosswinds though and we ended up having our wings clipped just after halfway. But we made the most of it. Five of the kids got to strut their stuff early on in a combined Clovelly team under lights at the SCG. Pouring on the points against the old enemy, Easts. The real deal at Latham Park was calling though. The Clovelly VS Clovelly Games. Supposedly trials but as usual it was all out. A resounding win over our mates in the Reds then the expected smashmouth game against the Blues. Fittingly ending in a hard fought draw. Clovelly does well to field three U12 teams as most clubs have just one. You will be seeing a lot more of each other in the years to come. Hopefully on the same team!

Things looked good as we took on the might of South Coogee and held them to one try for 39 of the 40 minutes. But it got tougher from then on. We were tested against the likes of Rockdale and the Blues again. The kids always playing hard, clean and as a team. Displaying the on field grit and mateship that years of rugby had instilled. "Mateship". That's a word politicians throw a round a little too easily but it definitely describes the bond these kids have on the field.

A bond that was on display the night we took the long drive down to Burraneer. Otherwise known as "The night the lights went out!" Trailing by two tries and more at half time the Cloey kids pulled together. Parents and siblings cheering from the hill as we came back hard. Two minutes left on the clock and Xavier fed Jackson the ball to take us to a three point lead. Burraneer wasn't done, thanks to slippery conditions and a dubious flat pass, they got back to 31-29. Chins hit the floor before our

Clovelly Eagles JRFC

kids put on a display of resilience and determination for the ages. Regaining the ball off the first ruck due to Will Goodall (twisted ankle and all) and the forwards pushing the bigger Burra Pack on their asses. The Mighty Whites charged down field. Only the 4 deliberate penalties in a row slowing their progress. The fans went wild, helped by Burraneer's on ground bar no doubt, as the fifth penalty came. Just on 40m to go but a bit too far to kick, "lets just go for it" they said. Then darkness. Utter darkness. In a reflection of the Covid interrupted season that was 2021, the lights went out.

They never really came back on. But no one could say that the Mighty whites didn't "Go for it" in 2021 or for the seven years they played together. Yes. Seven years since a load of 5 and 6 year olds got together on a wind swept Burrows field to become part of the Clovelly Eagles Junior Rugby Club. They won a lot more games than they lost. Had undefeated seasons and interstate trips. Broken bones and bloodied noses too. Made a few enemies, but a lot more friends. Most importantly they always had their Clovelly Eagles mates. Which is what I want them all to take with them. A sense of belonging to the community that is Clovelly Rugby. I played here as a chubby front rower thirty years ago and have ran into team mates ever since. So always say hello when you see another Eagle at school, the beach, or even the opposite side of the footy field. Whether you were with us for one year, five years or the whole seven. You are and always will be a Clovelly Eagles Rugby Player.

Massive thank you to Tim Blight our awesome Manager and brilliant Co-Coaches Chris Le Lievre and Matt Rudd. Lastly, thank you to the parents, partners and even grandparents. It has been a real privilege to be a part of the kids and your lives. Hold on to those memories, they are some of the best.

With 14 boys returning from last year, we were keen to get stuck into the 2021 season, the only problem was that the U12's comp was 15 a-side. This led us on a pre-season recruitment drive to bring more players to the Blues and after engaging the services of a recruitment manager (aka Mike Wright) we managed to secure 2 more boys from Scots and, after a 2-year campaign bordering on harassment, John Currenti finally relented and let Jack play for Clovelly.

We had a bit of a slow start to the season with a scrappy win over Coogee in the first game. This really pointed out the areas we needed to work on which was our scrum and going past the ball at the ruck. The next game was a much-improved performance which resulted in a good win over local rivals South Coogee who struggled to get into the game. An anomaly in the draw meant that we were drawn to play Coogee again in round 3 and Richard and I worked hard with the team at training to make up for the errors we made in round 1. The boys played some excellent attacking rugby and we ran out comfortable 41-7 winners with Sam Patterson scoring a hat trick. This led us into our round 4 match up against the Clovelly Whites who we drew with in a trial match and we knew we'd have to play well to beat them. We worked on a game plan to disrupt their set piece and get off the line quickly in defence and the boys executed this perfectly, dominating all aspects of the game to record a resounding 40-7 win.

Our round 5 game was against Menai who were also undefeated. We started the game strongly going into the break 12-5 ahead, however, Menai turned to their big, physical forwards in the second and we struggled to contain them which ultimately gave them a 24-12 win. A good win against Burraneer the following week proved to be the last game of the year as the dreaded Covid

lockdowns hit us for the second year running to bring the season to a premature close.

The forwards were outstanding this year. The coaches asked to them to be aggressive and look to dominate their opponents at every contest; whether it be in the scrum, at the breakdown or in the tackle and they all stood up. We asked Jack and Connor to take charge at scrum time and when they did it was a weapon for us. Jagger, Lior, Cheik and Harry Haigh gave us the go forward we needed and Jimmy, Siemo, Pat and a much-improved Sonny Bowcock did the grunt work up front to win our ball and create turnovers. This domination up front resulted in our backs getting regular front football which we used to pick teams apart out wide.

Tommy's increased speed at clearing the ball from the ruck gave Declan the time to he needed to shift the ball to the wider channels. Asher's ability to either truck it up over the gain line or kick us out of pressure situations and Benny's ball playing ensured that Sam, Sonny, Jake, Jasper, Harry T and Conor had all the space they needed to score tries.

Thanks to all the parents for their support and encouragement this year, particularly Fraser and Wrighty (and Toby Currenti) for running the touchline. As ever a big thank you to Richard for all his help, support and encouragement over the past two seasons and to Michelle for adding a bit of organisation to the rabble that can sometimes be the Blues.

Finally, I just want to say thanks to all the boys, old and new, who have been part of the Blues over the past 7 years. It's been amazing to look back and see how much you've developed, not only as players but as young men. You've been an awesome group of boys this year and I wish you all the best in your rugby careers.

COAST V COUNTRY CUP

The Holy Grail of U11 Country Rugby

A combined squad of Under 11 players made the trip from Clovelly to Camden on a cool and crisp autumn evening.

This was no ordinary "invitational" game. This was the inaugural Coast v Country Cup - to be played as the main game of the day - under lights - straight after First Grade at 5.15 pm.

To quote from the invitation posted to Clovelly by the Camden Rugby President Richard Old - the man they call "Sir Richard":

"The Country vs Coast Cup is a junior rugby initiative to celebrate a very important aspect of the game of rugby union - travelling to new places and meeting new mates."

"Rugby truly is an international passport to new friendships and new experiences. It is our dream to instil this unique aspect of rugby in the hearts and minds of junior rugby players through our initiative."

We'd heard they grow their boys big out Camden way - on the rich alluvial soils of the Nepean River flood plains.

And the rumours were true. When the Camden U11 team ran out through a tunnel formed by the Camden Open First Grade team, it was hard to tell who was who. These were big boys.

The game got off to cracking start. There was no holding back from either side. After 15 minutes the scores were locked at one try each.

Then through sheer determination and grit - like a Tasmanian woodchopper wielding an axe in an old growth forest of Blueberry Ash - Clovelly Combined U11s started to fell some timber.

There was perhaps no greater spectacle on the night than Jack Harrison's tackle on Camden's big tight head prop. Chopping him in half like David Foster on the ironbark at Sydney Royal Easter Show. The echo of the blow of hardened steel on ironwood echoing around the ground for most of the second half.

The forest was cleared, the bulldozers rolled in. Tries began to flow like the tap beer in the Camden clubhouse.

Final score. 48 - 5.

The boys from Clovelly held the Coast v Country v Cup high. Then back in the club house the Cup was filled to the brim with ice-cold (soft) drink.

The competition wasn't over though. Sir Richard led the young men into what for most was their first "boat race". The winner? Sailing, of course!

Many cold beverages were sunk. Sausage sandwiches were devoured.

New friendships were formed. Old mates became better mates.

We thank you Camden Rugby and your brave leader "Sir Richard".

We look forward to the rematch.
