PMC Legal

Heartland Motors

Clovelly Community Bank

The Club would like to thank our Parents & Friends who donate prizes in 2022 and all volunteers for their ongoing support and commitment throughout the season.

PRESIDENTS REPORT

2022

Luke Mann

A welcome return to a full year of rugby in 2022. Covid remained but 2022 was more about Rain with numerous training sessions lost, but the players and coaches desire for Rugby held steadfast.

We celebrated 60 years with a night at the Clovelly Hotel, Wallaby legends Mark Ella and Nick Farr-Jones provided the entertainment, quality stories and laughs from those living legends.

The club's focus remains on growing rugby in the area and enhancing the coaching quality and consistency. The Eagles continue to be the largest in terms of numbers in the Randwick Juniors with players (circa 280) and teams (18).

I would like to take the time to celebrate our volunteers who are the lifeblood of community sport and the centre piece to everything we do as a club, I would like to thank once again everyone who makes time for our club. 60 years of volunteers and community is amazing, and I hope families can consider their involvement and how they can become part of the Clovelly Eagles legacy. So many roles to fill and they can scale to your availability coach, manager, assistant referee, ground marshal, committee member or helping at the BBQ.

Clovelly is thankful to have such an awesome sponsorship group, these stars have enabled us to make significant improvements to our club and operations. I would like to call out Alexander Phillips of Phillips Pantzer Donnelly, The Clovelly Hotel, PMC Legal, Heartland Motors, and the Clovelly Community Bank. They all have strong ties to our community being locally focussed services or family members of the club, its great aligning with sponsors we know and trust. Thank you.

Under 12s finish their time with the Eagles, and we wish them luck in their next rugby journey, whether with the Randwick Warriors or school. We also say goodbye to some awesome families who have had the experience of the first Friday/Sunday competition for Clovelly – a challenge for sure.

Amazing efforts across all age groups and great to see us make the Grand finals this year in Under 10s, U11s (winners) and Under 12s (winners). Great achievement.

2022 we continued our focus

Coaching Investment

- Damian Costello (Coz Sprint) and Connor Wheatman (CW Rugby Development) worked throughout the 2022 season with our coaches and teams providing tutelage on fundamental areas of rugby to improve consistency across teams and upskill our volunteers
- Matthew Bowman (Randwick Rugby - Scrum Dog) – providing expert Scrum tutelage in the preseason and regular season

Rugby community – getting out of our area and making mates with other clubs

- Coast to Country Cup – with Camden (U9 & U12)
- Coast to Coast Cup – with Terrigal (U9 & U12)
- Poidevin Cup U12 – v Coogee (Won by Clovelly)
- Harbord Gala (U8 & U9)
- Canberra 7s
- Inaugural Turinui cup for Under 9s (Held and won by Clovelly)
- Hunters Hill Gala (U9)
- Chatswood Gala (U8 & U9)

As we look forward to 2023, we look forward to the return of the U12 NZ Trip a great bonding experience for the families and a great way to say farewell to Clovelly juniors.

Remember to show your Clovelly Colours, we have plenty of Retro Jerseys available for parents, friends, and family.

Up the Eagles

Luke Mann
President 2022

LOOKING BACK

60 Year Anniversary

The history is palpable, the experiences character building and the friendships are to cherish. This is just a snapshot of the great times and history of the Clovelly Eagles Junior Rugby Football Club. We wish to recognise and thank the many who have volunteered, played, supported, and imparted their love of the game of rugby and have all contributed to the development and success of a great rugby community.

Looking Back

The Clovelly Club entered the first team under the auspices of the Coogee JRFC in 1961. The formal meeting to constitute The Clovelly Club was on October 17th of that year. This first team for the Clovelly Club was created by dividing the Coogee Under 10 side into two teams. It was decided that all players north of Dolphin or Bream Streets should play for Clovelly. Present at this first club meeting were F.W.Meagher, R.Sherwood, I.Turk, W.Thornton (Treasurer) and B.Gillie (Secretary) and W.Marchant (President). The Eastern Suburbs Randwick Junior Rugby Union competition started in 1959 with the president of the Coogee Club, Tony Blomberg, instrumental in helping to create the Clovelly JRFC.

1961 – Clovelly Junior Rugby Football Club

In 1962, the committee approached Clovelly Public School, a rugby league stronghold, gaining the support of the principal and building a strong contingent of players. Ross Miles recalls the enthusiasm from he and a number of his mates. "In those days rugby league sides were selected on the basis of age and weight, so all the heavier blokes like me jumped at the idea of getting a regular game of football."

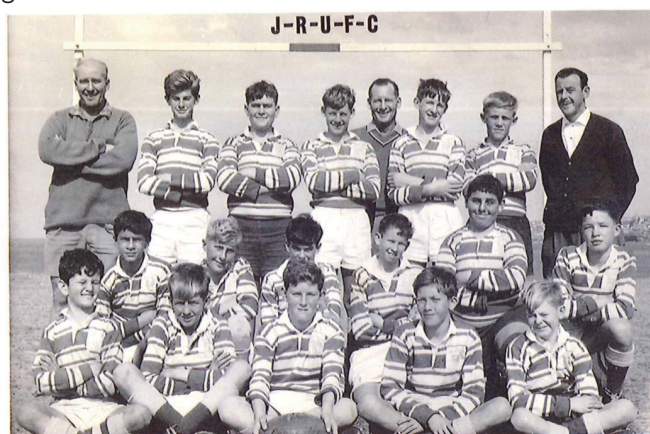

The first team to play under the newly incorporated Clovelly club in 1962. Players pictured include: John Stone, Ross Miles, Philip Lowe (deceased), Garry Hockey, Bill Marchant (coach-deceased), Leigh Stone, Mark Cohen, Ross Wright, John Barnett, Paul Bolton and Danny Lavarch.

Mr Bill Merchant was the president for 10 years becoming the first Life Member (page 10). He coached teams from U10 to U18.

The first team to play under the newly formed Clovelly Club in 1962. Players pictured include, John Stone, Ross Miles, Philip Lowe, Gary Hockey, Bill Merchant, Leigh Stone, Mark Cohen, Ross Wright, John Barnett, Paul Bolton and Danny Lavarch.

By 1963, the club had 5 teams. Two U10s, two U12s and one U14s. To begin training was at Coogee oval but soon switched to Burrows which became the home ground.

Among the players in this picture of the 1963 U14s are Bill Marchant (coach), Daryl Middleton, Mal Sandilands, Tony Cook, Reg Cook (Manager), Chris Lewis, Pat Slyney, Bill Bolton (Manager) Phil Lowe, Ross Miles, Garry Hockey, Joe Alvard, Peter Lewis, Danny Evans, Andrew Robertson, Paul Bolton, Mark Cohen and Peter Dwyer.

1962

In 1967, Patrick Hathaway, Paul Pemperton, Scott Menzies and Aylis Thorburn composed the lyrics for the club song.

The Club Song

(Sung to the theme "Tom, Tom, the Piper's Son")

*The game is rugby that we play,
The way they call the Clovelly Way,
Sportmanship and integrity,
Plus lots of heart and sincerity.
We play to win, we don't mind to lose,
Other teams play the way they choose.
Clovelly will progress Win or lose
And we won't go home
Singin' the blues!*

LOOKING BACK

Clovelly Eagles History

In the beginning all age groups played a 15 a side game on a full field. In 1974, Minis rugby for U7 and U8 was introduced. At various stages Clovelly fielded teams from U7 to U18. By 1984 Clovelly was the strongest club in the competition with 215 players.

A parallel committee was formed by parents to raise funds for the club. Claire Burke was the first committee president arranging gambling nights, raffles, and club nights. Trips away were arranged to Orange, Canberra, and New Zealand.

Clovelly competed against teams from all over the district including East/Randwick, Bays, Bellevue Hill, Bondi Boys, Bondi Sharks, Central Randwick, Coronation Park, De La Salle, Drummoyne Waratahs, Easts Colts, East Juniors, McAuley, Marcellen, Maroubra, Maroubra Bay, Marist Brothers Pagewood, Matrville, Randwick Colts, Randwick High, South Coogee, South Sydney, St. Brigids and Vacluse.

The 1985 U7 side. At back: Greg Pendleton (manager), Aaron Young and Gary (coaches); back row: David Caslin, Tim Clark (Eastern Suburbs and Waratah halfback), Matthew Handley, Garth Lanham, Dale Pendleton; front row: Tom Whitaker (professional surfer), Kendall Robinson, Tim Dux (English Schoolboy International and WASPS), Cameron Swan (jockey and horse trainer), Martin Hegarty, Shannon Lee.

1985

The first premiership for Clovelly Eagles was won in 1968 by this U18 team: Back Row: P. Peuberton (coach), C. Coventry, A. Fisher, R. Hornvedt, T. Day, M. Duggan, S. Watson, J. Synes, M. Clift, R. Coventry (manager); middle row: B. Stevens, M. Duggan, P. Hackett, A. Simpson, G. Coombe, M. Pullin, D. Wilson, A. Stuy; front row: P. Della-Marta, D. Burke, M. Palmer, M. Crnichshank (vice captain), G. Mould (captain), S. Boston, S. Knight-Smith. This team also went on to win many more grand finals.

1968 – First Premiership

The 1991 U9 Easts/Randwick representative side had these nine players from Clovelly. Back row: Shawn Mackay (now with Sydney City Roosters), Reni Matua (Canterbury Bulldogs), Tony Toomalatai (Randwick Colts), Morgan Tyrini (Australian Schoolboys, Hong Kong Sevens, Randwick first grade), Daniel Fagg. Front Row: Nathan Love (Easts Colts), Steve Irwin (Randwick Colts), Keiran Lanham (Easts Colts), Mark Thompson (Easts Colts).

1991

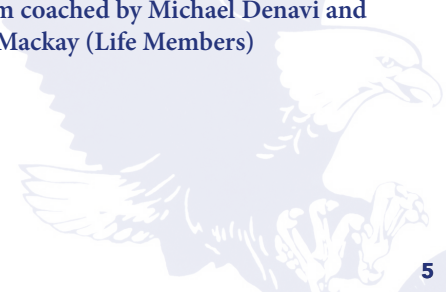

The 1974 U14s team that toured New Zealand. The side included Gary Ella, Eddie Jones and Grant Mould.

1974 – U14s that toured New Zealand – including Gary Ella, Eddie Jones and Grant Mould

The 2000 U11 team coached by Michael Denavi and John Mackay, who this year was made a life member of the Club.

LOOKING BACK

Clovelly Eagles History

Eagles Community Tributes

Looking back 50 years to our U8 1972 team. Two future Randwick First Graders in the middle back row, Matthew Della Marta and Blake Veverka.

Blake Veverka

Blake Veverka played with the Eagles from 1971 to 1975, after attending Sydney Boys High, he joined the Randwick Colts. He played Winger for Randwick, playing 162 club games from 1985 to 1994, scoring 41 tries and 170 points. His 11 first grade games were spread across 1986 to 1991 producing 2 tries and 8 pts. He played in the 1986 First grade grand final and in five lower grade winning grand final sides.

Matthew Della Marta

Matthew was the youngest of 6 boys, and elder twin to the only girl Sara, of the Della Marta family who moved from Perth, WA to Randwick in early 1967. His father, Harley, was a VFL player in the early 50's and on moving to Randwick he took his young boys straight to Burrows Park to play this foreign game of Rugby.

Matthew began his rugby career at the age of 6 years with the 1970 Clovelly Under 7's. A furious tackler who initially struggled with the concept of team mates and opponents, merely tacked anyone who held the ball, no matter what team they were on. He went on to play with Clovelly Juniors for 6 years from 1970 to 1975 and represented East Randwick reps in U10's in 1974.

Clovelly Eagles JRFC

In 1978 and 1979 he played with South Coogee Juniors winning the district championship in both years. At this time Clovelly Eagles did not have U14 or U15 teams.

Matthew was reacquainted with Randwick Rugby when he joined Randwick Colts in 1982 to win a premiership in his first year. He went on to play 3 years of Colts, playing 50 first grade Colts games, captaining both Randwick and NSW Colts in 1984.

Matthew then joined the senior grades playing 253 club games from 1985 to 2002, scoring 30 tries and 1 goal with a total of 110 points. He played in 35 first grade games from 1985 to 1999. In 1985 where he was a member of the Premiership winning reserve grade team beating a highly fancied Manly team at the Sydney Sports ground. A decade later, in 1996 Matthew captained Randwick reserve grade to another challenging victory against a strong Eastwood team. Many past Clovelly junior players were part of this team including Lawson Donald, Jaysen Thompson, Chris Whitaker, coached by Ben Whitaker.

In his almost two decades at Randwick, Matthew went on to play and lead various grade teams. Added to his Reserve Grade Premierships, Matthew played in four 3rd grade grand finals, premiers in 1988, 1999 and 2000. He played in three 4th grade grand finals and premiated in 1990.

CLUB TROPHY AWARDS 2022

The Patrons Cup

The team playing to Club motto. The current patron of the club is Glen Joseph, he was the president of the Eagles from 2000-2001. Glen took on the role at a time the club was struggling with only 8 teams and a lack of numbers, his drive to improve and grow helped change the direction of our club.

U12 Blue

Club Supporter of the Year

The award goes to the individual who best supports the club.

Jack Singleton

Shawn Mackay Club Player of the Year Award

The award goes to the player who shows qualities such as leadership, sportsmanship and cooperation. Shawn Mackay (1982-2009) was a Clovelly junior of immense potential playing 123 matches for the Eagles. A talented backrower who captained the Australian Rugby Sevens team (2005-2008) and represented the Brumbies. Tragically he lost his life in Durban whilst representing the Brumbies.

Bill Singleton

Chris Whittaker Award

The award goes to a player that shows the most potential in a minis team. Chris is a local junior who played 106 matches for Clovelly, his family were massive supporters of the club who are both Life members. His illustrious rugby career included representing Randwick, the Waratahs (107 matches) and was Wallaby 747 (31 tests played, Captain 1 test). He is currently assistant coach to the Waratahs after overseas experiences in Europe.

Ben Pearson

Col Windon Award

The award goes to a player that shows the most potential in a junior team. Col Windon (1921-2003) was a former patron of our club, a WWII veteran and rugby legend. Arguably Australian rugby's greatest ever flanker and undoubtedly the Wallabies premier attacking flanker of all time. He played and coached Randwick. Represented New south Wales, and become Wallaby 337 (20 tests played, Captain for 2 tests). He was as inaugural inductee to the ARU Hall of Fame.

Riley Carr

CLUB TROPHY AWARDS 2022

Exceptional Achievement Award

Max Daley

Greg Killeen Award for the Most Improved Minis Team

Greg played for the Eagles from 1975-77. He was seriously injured in a tragic accident whilst touring New Zealand in 1977 with the U15 team. This trophy was dedicated to Greg in 1978.

U8 Black

Wally Meagher Award for the Most Improved Junior Team

Wally (1903-1966) played 100 first grade games for Randwick from 1923-1930. He represented NSW in 1929 and wallaby (8 tests). He was the Randwick coach from 1931-1953, president of NSWRU and Randwick club. He is widely acknowledged and the innovator behind the Galloping Greens running rugby. He also opened the first meeting to constitute the Clovelly Eagles club.

U12 Red

Kelly Clifton Award for Exceptional Female Player Achievement

Kelly Clifton is the first female to play over 50 matches for the Clovelly Eagles. Playing with the eagles since 2015. She is a great example to all rugby players and hopefully we continue to see growth in participation.

Harlow Taylor

Jimmy Lane Award - President's Award for Excellence

A former vice president, Randwick Rugby Club, assistant president, ARU and co-founder of Randwick Junior Rugby. In the early 1960s Jimmy was nicknamed "Mr Randwick". Father in-law of past president Graham Geering and grandfather of Clovelly players Michael and Peter. When Jimmy died, his wife dedicated the trophy to the Club.

TRAINING WITH THE WARATAHS

Mid-season Training

At Clovelly Eagles we take our training and skills development seriously. During the season we are so fortunate to have past and present players meet with the teams and impart some of their rugby skills and experiences. On one mid-season evening unfortunately the weather forced the training grounds to be closed but that did not stop Ned Hanigan and Dave Porecki meeting with some of kids. We appreciate your time, look forward to seeing you soon and wish you both the greatest success for the future.

THE CLOVELLY HOTEL

60^{years} ANNIVERSARY CELEBRATION

The Clovelly Hotel

On Saturday, 26th March 2022, Clovelly Eagles Junior Rugby Club held a cocktail party at Clovelly Hotel to celebrate its 60th Anniversary. Over 140 members and supporters attended the celebration.

Guests were entertained by Wallabies Legends Nick Farr-Jones and Mark Ella generously sharing their rugby experiences and career highlights.

Club President Luke Mann welcomed guests and took the opportunity to say a few words about the club's history. He thanked past and present players, life members, coaches, team managers, committee members, the parents and the many supporters who come along each week to training, weekend games and to those who came along on the night to make it a very special evening.

MINI GALA DAYS 2022

MINI GALA DAYS 2022

In 2022 Clovelly Eagles, and their strong support teams, ventured far and wide to represent the club in the many Gala Days on offer. Many of the Mini teams enjoyed days either at Dural, Harbord, Hunters Hill, Wahroonga and Chatswood. These Gala events are a great opportunity to play a fast paced series of games against various rugby club teams across Sydney. We thank all the parents and supporters for all their coordination and time. It would not happen without your involvement and enthusiasm.

What a fantastic introduction to the game of rugby for the U6 Blues. The improvement in skill, speed and understanding of the game was remarkable as the boys wrapped up a hugely successful inaugural season. The most impressive aspect was their enthusiasm for the game and the friendships developed over the season that will serve the boys well next season and beyond.

The U6 cohort were jumping out of their skin at training, and I would like to thank Clovelly's expert coach Coz, for his assistance with setting the boys up with drills to keep them engaged and improve their rugby skillset. Thanks also to Lettys and Joe for assisting at Burrows.

Defence wins premierships and the Blues were relentless in their tagging all season. It wasn't unusual for the team to make upwards of 10 tags in a set, as the opposition tried to breach the Blue wall. Special mention to Will for his outstanding defence, cutting opposition players down and regularly denying scoring opportunities in the corners, earning him the defensive player of the year.

The Blues are an excellent attacking unit stacked with speed and try-scoring ability. The competition amongst the boys was intense as they jostled to get their hands on the ball to make a run. A key focus next year will be working as a team and spreading the line. Special mention to Hugo for scoring the most tries this season and earning our attacking player of the year. Hugo's speed is a huge weapon but it's his support play and intelligence of the game that's most impressive.

Oscar is fantastic in both attack and defence, regularly making big tags and side-stepping opposition players to score tries with one of the best dives in the competition.

Angus has a natural feel for the game and showed massive improvement in both attack and defence over the season with some good tries. Donnie is a power runner with blistering speed in attack and ability to mow down the opposition in defence. Finn's understanding of the game has improved considerably this year and he always brings a positive attitude to the team. Tommy is one of the most improved players defensively and by the end of season was consistently making crucial tags for the team. Darcy has an imposing size and speed with potential to burn players down the sideline once he puts the hammer down. Lucas was our most improved player of the team, showing great courage and resilience to contribute more and more each week. Thijmen is hungry for the ball, has speed to burn and is already primed for making the step up from tagging to tackling.

Overall, the boys played some outstanding rugby and should be very proud of themselves. Not only did they win almost all their games, but they also took a positive attitude to training and even took up the opportunity to train during holidays and when games were washed out. When the boys show such enthusiasm for the game and getting together with their mates, it really does make it a pleasure to coach.

Dugs and I would like to take this opportunity to thank all the parents for their contributions and friendship off the field. This helped make it a great year. We look forward to seeing the boys develop and build a strong future for the club.

What a fantastic start the U6 whites have had to their rugby careers. Our team improved enormously throughout the season, starting as strangers with some having never played rugby before and finishing with seven wins and firm friendships made. We had an abundance of exuberance in the team with everyone keen to run with the ball and score tries.

Cody Maitua and Joshua Boon were standout players for us this season, strong on defence and super-fast with the ball in hand, no doubt two rugby stars of the future.

Harry Howell was our fantastic top try scorer. He did exceedingly well clocking up a huge tally of 17 tries, always looking for the gaps to get across the line.

Rufus Hough arrived with great enthusiasm each week and won us many a match with some great tries.

Oskar Fris-O'Toole ran hard with the ball, and always gave everything on the pitch and was a real team player.

Clovelly Eagles JRFC

Oskar Kerr another enthusiastic player with ball in hand who also improved significantly throughout the season.

Baxter Odillo Maher was a player who also significantly improved throughout the season and a great support player to his team not to mention some nice tries.

Lennox Yates another exciting player who has also developed well this season, always giving 100 percent both in defence and with the ball.

Freddy Curtis is one to watch! He was a huge contributor, working hard on defence and scored some super tries.

Thanks to all the parents who pitched in to give the boys a great season whilst encouraging their little super stars in the spirit of the game. It was a joy to see the boy's confidence grow, friendships flourish and their skills develop over the course of the season. Special mention to the coaches and managers who all helped make it successful and fun and we hope to see everyone back next year for a super 2023 season.

Coach	Ben Carney
Assistant Coach	Jonathon Kane
Manager	Jason Maxwell

An impressive squad of 12 boys came together at the start of the 2022 season to form the Clovelly U7 Blues, with six veterans of the 2021 U6 Blues and half a dozen rugby rookies. The team instantly gelled, immediately working well together in both training sessions and matches. The coaches were again Jonathan and Ben with Jason returning as manager, reinforced once more by an incredible supporter squad who regularly pitched in at training sessions and on match days.

Archie started his debut season as an effective ball runner with bags of enthusiasm and continued to develop from there. By the close of the season, he was always running in support of the ball carrier, an excellent defender and able to deliver an accurate pass to any supporting teammates. With his incredible number of tries, try-assists and tags, Archie is the winner of the Best and Fairest award. Congratulations Archie!

Olly returned for the Blues where he left off last year with an impressive contribution of tries and tags throughout the season and he once again made a spectacular contribution to the team. Jack developed extraordinarily throughout the season and regularly pounced on a dropped ball to then fly down the sideline to put the team in excellent position. Mitchell was continually ready at the breakdown calling for the ball and again contributed many yards gained with his determined advancement of the ball when in possession.

Jesse continued his development as a player with his turn of speed and startling change of direction resulting in him making several vital contributions to the score

Clovelly Eagles JRFC

line. Debutant Mark was only able to make a couple of games but was very productive in both attack and defence in his limited opportunities. Rowan was again tireless in his efforts, always on top of an opposition ball carrier before they knew it and woe betide any team that left an edge undefended as he was always ready to dart across to score.

Zac again made vital contributions to the team and delighted those watching with his lightning fast running of the ball and tireless efforts in defence. Hugo showed constant improvement throughout the season which culminated in three incredible defensive efforts to close out the season. Eddie evolved into a team stalwart in his first season, perpetually dismaying the opposition with his effective ball running and tireless tagging. Harvey showed his experience with an excellent understanding of the game, incredibly consistent performance combined with excellent attack and defence.

Rocky started his rookie season with a solid base of skills, boundless enthusiasm, and a willingness to learn. He never faltered in his efforts both in attack and defence and by the end of the season he was making significant contributions to the team. This year Rocky is our Most Improved Player. Congratulations Rocky!

The boys' rugby developed exponentially throughout the season, developing from using a "cluster formation" in both attack and defence, to being a well organised team with a nice flat defensive line and an intimidating attacking formation. This team is developing into an excellent rugby unit, and we look forward to seeing them back in action next year.

Coach Stuart McKay
Assistant Coach Michael Tange
Managers Shaun Connelly & Mal Dusseldorp

Super Coach Stuart McKay showed the patience of a saint to transform this team of tiny balls of energy into confident and capable rugby players. Wrapping their developing minds around the concepts of onside and team play and turning the classic side line tries into real points.

Our Irish representative Rian D'Arcy with his legendary try line dives and unrivalled game reading was joined by his little brother Cillian D'Arcy (3 years old) more and more as the season progressed as we lost players to illness and the like, and boy did Cillian deliver! We look forward to seeing more of both these human wrecking balls next season.

As the season rolled on the attacking skills of the team improved, exemplified by the classic Louis Hajje fend and Charlie Miller's determination to find the try line. Darcy Fitzpatrick regularly backed up for a second game to help us out, showing true club rugby spirit. Whilst we missed Jake Connelly's quiet resolve we look forward to having him back in the Eagles jersey in future seasons.

The fast feet of Oliver Yeate got the team moving forward and the try saving touches came a plenty. Caelen McKay grew into a dominant force on the field throughout the season culminating in what is best described as a try-scoring and line-breaking machine. Must have been all those extra sessions with super-coach Dad!

Once his hands were forced out of his pockets by Mum's clever mid game short reversal, Finley became the bedrock of the front line defensive efforts of the Whites.

Clovell's Rugby JRFC

This strong defence through the middle meant that the opposition often had to look to the wings for try-scoring opportunities. Unfortunately, they were no match for H "the wall" Tange and Will "don't argue" Rowlandson on the wings and Sandy "the seagull" Dusseldorp at full back shutting down any would be try scorers with ease and confidence.

With ball in hand, the Whites put on some of the most entertaining try-scoring highlight reels seen on WhatsApp courtesy of James Rowlandson, our official videographer. The jigs of Sandy Dusseldorp and the hot-step of Will Rowlandson delighted the crowd and helped the Whites to their impressive record of 6 wins, 4 draws and 3 losses. An impressive feat given this season of wet weather regularly posed an opposition to training.

It was a season full of rain and mud, yet the players and their trusty tunnel-forming fan-squad put in week in and week out and we couldn't be prouder of everyone involved. The boys are ready for tackle next year. Bring it on.

Finally – a full season of rugby! Even La Nina-induced rain-bombs couldn't stop us in 2022 (thank goodness for Nagle's good drainage). The U8 Blacks had a great first taste of tackle rugby. After getting quite a shock from some hard tackling in the pre-season gala against Maroubra, the boys quickly adjusted to the more physical game. Despite what appeared like an initial allergy to rucks and mauls, by the end of the season the boys were relishing the tackle and contact at the breakdown.

Although we didn't have it all our own way, with a few tough losses, the U8 Blacks won more than they lost (6 wins, 5 losses, and 2 draws), and managed to outscore their opponents by 19 tries. We had a successful gala day at Dural, and managed to retain the inter-club bragging rights against the Clovelli Blues. But most importantly, they always played the game the right way – demonstrating good sportsmanship, lots of commitment, and most of all, had lots of fun.

The core of the team has stuck together for 3 years now, with new additions seamlessly coming into the mix and adding to the group. There is a great team dynamic amongst this group, and long may it continue.

Will Dawson scored 5 tries in Rd1 and never looked back, racking up 30 for the year along with superb defence and great ability to poach the ball. New player, Thomas Walker (Tom #3) was a dynamo – multitude of tries, tackled anything that moved despite often giving away a size advantage, bamboozling step, and one-handed offloads to set up numerous tries. Charlie Behr showed an ability to score from anywhere, combined with forceful defence, with his driving tackles stopping many opposition attacks. Liam Esplin improved in leaps and bounds, demonstrating an aptitude for the hard work,

with unselfish play to secure ruck ball and keep the team on the front foot. Louis Skinner improved each game, with some outstanding work in the mauls and a great physical all-round game. Henry Smith grew in confidence as the season went on, with penetrating runs and some telling tackles. Speed demons Bond Mangan and Tom Henry were often amongst the tries, but not afraid of making tackles as well. Theodore Gray was non-stop effort, providing go-forward with direct runs and increasingly throwing himself into the cleanout as the season wore on. Tom Fanning took his game up another level in 2022, with a couple of long-range tries to go along with his muscle in the breakdown and tackle (+ being the first one to lend any injured teammates a helping hand). Muazz Ahmed continued to be an elusive open-field runner, with a number of weaving runs carving up opposition defences resulting in some scintillating tries.

Thanks again to the tireless efforts of coach Pat Fanning, and support from Tim Henry. It takes commitment leading the boys on a cold Wednesday evening at Burrows, but Pat and Tim never complained. And special shout-out to Pat for going above-and-beyond – coaching through a hobbling knee injury all season. The boys have developed at a rapid rate under your tutelage. But perhaps most impressive is that there is a real sense of comradery and cohesiveness amongst the team, and great sportsmanship that has been fostered by the coaches.

After a mixed 2021 season and with the anticipation of tackling, everyone was excited to get into training and playing games. We welcomed some new players to the mighty Blues – Freddy, Jonny and Harry, who all looked like they had been playing for years. Freddy added some size up front and was a handful for the opposition with his barnstorming runs. Harry and Jonny added some pace to our backline and scored their fair share of tries.

It took a while to master the art of tackling, though once we all made our first few, confidence grew and some became fearless. Chloe was a standout and provided great entertainment for the parents on the sideline, bringing down the opposition from all angles. Hidde also showed great confidence and determination in defence, launching himself at the other team and saving plenty of tries. Harry, Cam and Jack F put in solid efforts in defence, making life difficult for the opposition.

Rucks, uncontested scrums and line outs were new concepts for the Blues. We had to learn the technical aspects of the game now, and fast. The team adapted quickly and before too long, multiple phases were being put together and we were playing as a team. The running, passing and support play was really improving and was there for all to see at the gala day in Dural, where we played some of our best rugby. Running rugby became second nature over the season, from pick and go to drawing a defender and passing, the Blues were able to run in some good tries on their day. Hidde bagged plenty with a total of 34 for the season. Freddy, Jonny and Chloe also piled on the points and Zac and Jack C added to the tally with some good, side-stepping runs.

The commitment the team showed throughout the season was unwavering, and even though we didn't quite get the results we would have liked, we all turned up to training and games ready to play. The effort of the team couldn't be questioned and we always played hard to the final whistle. We grew from a team that didn't know how to tackle, clean out, or even be tackled, to a team that by end of season had accomplished the more difficult aspects of the game. With a solid foundation of the basics, the U8 Blues are in a great position to further their skills and knowledge of the game in years to come.

A big thanks must go to our coach Matt, for his patience, ability to communicate and commitment to the Blues. The whole team enjoyed being coached by him and the improvement shown throughout the season was obvious. Thank you also to the parents for their support from the sidelines.

It was a pleasure being involved with the U8 Blues this season and we look forward to further enjoyment and success in the years to come.

2022 what a season of rugby! The Blacks were back, and we added a few guns to the squad and coaching ranks. Richard Pearson brought a steely resolve to the coaching team with a focus on execution in each session.

The squad matured as did their rugby knowledge and skills. We had a winning season across all trials, gala, and regular matches, but more importantly the style of play developed. An expansive rugby game with tries off multiple phases and passes which aligned with our training focus.

The mid-season transition to Coaches on sidelines in preparation for U10s, was a little concerning but the team took it in their stride and the internal leadership and structures kept moving forward.

We played several good teams this season and learnt from the experience specifically the U9 Whites who were exceptional at the breakdown and our team will look to improve in that area in 2023.

The parents are an awesome group, and their constant support of the team and coaches is appreciated.

Looking forward to Friday Night Under Lights.

Hugo Tonga – what a smile, what a player. A handful for all opposition teams. His ruck work is top class and runs hard with a dynamic fend.

Beau Clark – a smart footballer whose return-to-work post appendicitis mid-season was herculean. His sneaky runs and running of the backline underpin our attack.

Kai Williams – breakout season for Kai, taken ownership of halfback his selective running resulted in numerous tries but his decisions on when to go were very good. A tougher competitor you would find hard to find.

Zach Hatton – as his confidence grows, so does his impact, with strong ball running and a generous pass to get the ball away from the rucks. .

Nixon Clark – A massive motor and work ethic (like his

Channel conquering dad), he has a resilience that must be seen. Small in stature but big in impact, taking on all challenges. He has had a massive season improving across all facets of his game.

Jaxx Keane – strong rugby player who has grown into the clean out effectively to compliment his no holds barred tackling. When Jaxx is on we know we have steel in defence and a never give up attitude.

Jack Mann – growing as a player, never loses ball in contact has strong grip strength, no tries in regular season but a few during our Galas. Will enjoy U10s rugby with competitive scrums and lineouts.

Jack Shrimpton – warmed up as the season progressed to be one of our most fearless tacklers. A real team player who never over plays his hand.

Mason Helliar – open space he enjoys with great feet and knows how to find the try line. Defensively his cover tackles and efforts were massive for 2022.

Noah Little – almost bigger than his dad already, Noah hits hard and runs hard. He can fit into the backline or forwards his versatility only matched by his love of contact.

Jack Morahan-Saliba – a natural ball runner with amazing balance. Thirst for knowledge in rugby and to improve is awesome for his age.

Ben Pearson – Hits like a truck and runs hard, competes for all ball and opportunities to get into the game. Standout player for 2022, instils confidence in all players around him.

Nicholas Kondilios - Jet boots, once he gets the ball, he is tough to catch. Try scoring sensation and his physicality continues to improve in defence.

Koby Leondis - a great team player, fits into whatever position we need and brings solid skills across the park, distribution, or defence to wherever he is needed.

Best Forward: Jaxx Keane
Best Back: Ben Pearson
Most Improved: Nixon Clark

After a slow start to the season - 2 wins from the first 8 games - the U9 Blues increased their training efforts, recruiting a professional ref to run "mini games" at Wednesday training sessions.

Some Wednesdays we would play three straight games verses the Reds, Whites and Blacks!

The Blues have always been a team that rises to the occasion. A team that loves a contest and will always fight harder when there is silverware on the line!

The U9 Blues improved dramatically with their new training regime and won all three games at the Dural Gala Day, then won the last four games of the season.

The improvement in all players was remarkable this season.

The best evidence of this was when two of our star players took extended holidays, and some of our newer players stepped up to fill these positions.

Without two of our stars - we kept winning games!

Our team always played with commitment, structure, and had real rugby brains. Full credit for this must go to Coach Ken for instilling discipline from our set plays.

The most memorable moments of the season were no doubt seeing our on-field captains making good decisions, our fly half "setting the backline" and getting the ball "through the hands".

The 2022 U9 Blues were a team of great players. But most importantly a great team. We're looking forward to a great season as the U10 Blues in 2023!

A few new faces and a second season of game day tackling made it a very competitive season this year.

As always, the kids were enthusiastic and just want to have fun. While some are more competitive than others, it really was a season of friendships and progressing our physical skills as much as possible.

After having several seasons of not losing, this year was different. The boys had to accept being beaten by bigger and better teams. In the long run, I think this is a good thing and it sure leaves plenty on the table to improve for next season.

The players all tried their best but tackling and rucking seemed to be the part overall that lead to the losses. Some are more willing to listen and or 'just do it'. We will continue to work on this in future years.

The running with the ball was the easy part, everyone was willing and able to do the fun stuff. The look on their faces when they have the ball and are running as fast as they can with multiple chasers on their tail is priceless.

All the boys are champions in my opinion, and they did their best, next year we will lace up and go again!

Up the Eagles!

The Whites took a huge leap forward this season while powering through some significant career milestones. Our boys started this season as they finished the last, delivering a fast physical style of rugby. Transitioning to no coach on the field, they handled the extra responsibility well, demonstrating good communication and generous play complementing each other's skills. Embodying the spirit of the game and the moto of the Clovelly Eagles, playing to win and learning to lose, the team produced some of the best rugby in the competition.

This season we welcomed two new players to rugby, Louie Bell and Weston Chami. Louie showed speed and an eagerness for the physical contest, while Weston demonstrated his ability to take the ball forward while retaining ball with good body position and team play.

Alex O'Brien was reliable as ever, always putting in solid performances in both attack and defense. Alex has safe hands, solid tackling ability, and good attention to the game plan. Archie Herron is a hard worker around the field, competing for the ball at every opportunity and forcing turnovers with tough pressure in defense. Archie's high work rate often resulted in a Clovelly try-fest. Lachlan Walden, our youngest player, always made his presence felt on the field, with a powerful defensive game. Lachlan kept the opposition guessing with evasive running, resulting in an impressive try tally.

Elliot Kane is an excellent student of the game. As scrum half he communicated well and gave quick ball service to our well-organised back line. He also showed talent in the hooker position, enjoying knowledge of the specialized

positions. Luca, a solid utility player, can play any position and introduces a physical forward moving game which complements our speedy attacking players. Hudson Rowe is one of those speedy attacking players who can score from any position on the field, but also shows generosity with his distribution of the ball. Theo and Billy Macan were devastating in attack with a long fast stride, big palm and quick reactions. The Macans were everywhere often putting in try saving tackles, winning possession and turning defense into attack. The dynamic duo competed as much with each other, as they did our opposition to be our top try scorers.

The engine room of the team was Leo Murphy and Andrew Brown. Leo's ability to switch between forwards and backs made him difficult for opposition to mark, and with quick reactions to pick up loose ball, he could use his explosive speed and strength to leave the opposition in his dust. Andrew on the other hand didn't need speed, as a one-man rucking machine, often cleaning out three opposition players on his own. With ball in hand, Andrew was unstoppable moving forward making many gainline meters. This helped keep our opposition on the back foot, scrambling to contain attacking backs such as Oli Robinson. Oli is a deceptively fast and agile player, with a talent for finding space slipping through the defense. His tackling was excellent with good foot work, tracking to find his target and solid low body technique.

I am so proud of Clovelly White squad and very impressed with what the team achieved and am looking forward to seeing what they can do in U10s with more space to move and opportunities to develop their Rugby.

This year saw our team step up to Friday night sessions, which was definitely harder for us oldies to see in the dark in comparison to the smaller fields in Nagle Park! More rules, bigger fields and players saw the need for another coach to step up and help the team to ensure our players avoided injuries and learnt proper tackling techniques. A big call out to Cam Ireland who joined the coaches, thanks!

I would also like to thank the other volunteers who took on many roles in order for the games to be able to be played, our resident Assistance Referees; Matt Walden, Stu Ryan, Mac Lydiard and Ben Hindmarsh. We also had a couple of Ground Marshalls, thanks Michelle Harwood and Katie Hindmarsh.

We also had to incorporate the new app to record everything – a bit different to a soggy page on a clipboard!

With the size of the field growing so did the squad and we went from 13 players to 18 with the addition of Aidan Rowley, Arlo Symes, Ernie Ryan, Tane Harris and the short return of Louie Cummins.

We would like to congratulate a number of players who reached the big milestone of playing over 50 Clovelly Eagles career games this season: George Nixon (66), Jenson Crocker (53), Jude McDermott (53) and William Hindmarsh (50). Great achievement boys!

This year was also our player's first chance to trial for Randwick at the next level of representative football and our under 10 Blue team had six players make the teams. Well done to Angus Ireland, Archie Lydiard, Arlo Symes, Ernie Ryan, Jude McDermott and Thomas Walden.

Clovelly Eagles JRFC

It is great to see most of the players wanting to try out new positions but most end up going back to where they started. Although Thomas Walden still wants to play in the backs after his short stint with the Barbarians. Jenson Crocker was another who played in both forwards and backs. We started to get more consistency and understanding of the rules with the forward pack especially some of the new guns like Tane Harris. We held our own in the scrums with the reliable Callum Bowcock, Angus Ireland and Hamilton Gill. Jude McDermott continued to turn over the ball in the ruck with plenty of penalties.

We sorely missed Charlie Harwood who suffered a concussion mid-season, Archie Francis consistently battled so hard and was fully committed. Archie Lydiard and Liam Knibbs were our speedsters who we relied on for many tries. William Horsfield was so close so many times and managed to cross the line.

We are looking forward to the season next year and hope to get a few more wins on the board!

Best Forward: Jude McDermott
Best Back: William Hindmarsh

After yet another interrupted season last year, the team came back together well and got stuck into pre-season early. The management team had focussed some strong recruitment over the off season as we welcomed Sunny, Angus and Bruno as well as mid-season signing Beau (who bolstered our backline which had crippled by COVID and the lure of a European summer holiday).

This season was a real step up for our team, with the move to full field and 12 players creating a heap more space for us to work with as well as the beauty of Friday night lights. We adjusted really well to contested scrums and line-outs, I think we pinched tightheads whenever we were allowed to contest scrums (which often ended in scrums moving to uncontested). The backs also did really well settling into their attacking shape, getting the ball out wide to some of our newer speed. Throughout the season we really worked on our broken play and contesting the breakdown to give our backs a platform to play from and whilst training wasn't always the best barometer of how we were going, the kids showed up every Friday night and played really well and nailed the things that we had been trying at training.

At the end of normal season we found ourselves atop the competition ladder, which meant that we had qualified for the semi's and had locked in a grudge match with our neighbours Coogee. We got out to an early lead which we never looked like letting go, it was our defensive effort that was most impressive, everyone in the team really stepped up in defence and Coogee just couldn't crack our line.

Clovelly Eagles JRFC

Next it was onto the big dance, we were into the GF. We had to face Maroubra, the weather was against us but we were ready and everybody knew their role. We came out firing, again we were tackling like our lives depended on it, at half time it was anyone's game and we dared to believe. Unfortunately we couldn't sustain the pressure in the second half and we let in a few quick tries which broke us. The final score didn't really reflect the efforts of everyone out there.

A massive congrats to every one of the kids in U10 Whites, to make a GF and play with the spirit that we have all year has been awesome to watch. So thanks to you all for your efforts, you should be very proud.

A few other highlights of the year would be our first away games, even better was the first bus trip to Burraneer which I think the parents enjoyed more than the kids! We also had quite a few of our team representing Randwick Juniors at the U10 State Gala, which was really exciting for them to receive their first rep jersey and to get to play against teams from all over NSW.

Thanks to all the parents for the support, either at training on Wednesdays or at the games on Fridays. Special shout out must go to Manager Extraordinaire Lindsay! I feel lucky to be part of this amazing team, so thanks all.

And as we all know, you've got to lose one to win one..... Bring on next year!!

In our penultimate year at the Eagles, I thought the boys had a tremendous season. Welcoming in Logan, Teddy and Sam for their first time at Union, and Will, Owen and Rory from the Blues. The squad was bolstered in equal measure with strength and skill.

In the regular season we were worthy of our top 4 spot, beating the majority of teams with ease, but having the big 3 teams twice each was where the real test came. The Whites, Coogee and to a certain extent South Coogee, were at another level in our comp but at times we were definitely able to match all of them. This was particularly evident in the way the boys rallied in the second half of the semi-final against Coogee. 26-0 down at half time with their backs against the wall, the Coaches asked them to dig deep and not roll over. We didn't want our season to be defined by a big loss. And I couldn't have been prouder of how they played the final half of that match. Not conceding a point against one of the top teams and indeed winning the second half. It was a strange feeling to lose that game, yet still feel so pleased with the performance. So much to build on now for our final season next year, where our focus will be to play more as a team, play a bit smarter, and to stick to our structure. On the occasions where we do play that way, we are unstoppable!

All of the boys developed over the season but the Coaches were unanimous in who should receive 'Most Improved'. Sam Goold was thrown into the forwards from the get-go and what a baptism of fire?! By the end of the season he was leading the way when it came to running straight and cleaning out at the ruck.

Best Back was a tough one to call, but based on his composure, speed, agility and particularly for the number of try-saving tackles he made, Ollie O'Donnell receives this award for 2022.

And whilst a number of the boys were excellent at making metres and hitting the ball up, the Best Forward award goes to the player that helped create a lot of turnovers, someone who was always first to the ruck and clearly punched above his weight in terms of size; Talin Opai.

Well done to Talin, Sam and Ollie.

I am very proud of the entire playing group and how they have developed. As well as becoming better footy players, they are growing up to be polite and courteous young men always saying hello and thanking their Coaches.

Thank you to Gav, Larry and Ronan for their support all season. And also to Rich, Rob, Jon, Scott, Tom, Sarah and any other parents who helped with coaching, managing or being an Assistant Referee!

Best Forward: Tali Opai
Best Back: Ollie O'Donnell
Most Improved: Sam Goold

It was another enjoyable season for the mighty Clovelly U11 Reds. We recruited a few new faces during the summer so the season started with some fun games of touch footy down at the beach to let the boys get to know each other.

The first game of the season was a real arm wrestle against the Clovelly Blacks. Unfortunately the Blacks managed to just pip us, but it was a great way to commence the season and the boys played well together. It was really pleasing to see several new recruits settle quickly into the team and make contributions right from the start. Several went on to receive the sought-after Player of the Match Award.

Despite rain interfering with the early season games, the boys developed well as a team. The focus at training was passing, tackling, rucks and mauls. The boys made great progress with improved defence on last year and they held a respectable for and against tally of 241 points "for" to 269 "against" for the season. The forward pack found some extra muscle and showed some great guts and determination against some bigger opposition teams. The back line also really benefitted from our skill developments and it was great to see consistent passing which led to scoring in the corners every game. We scored in every single game and were a competitive team throughout the season with 4 wins and 8 close losses.

A favourite and memorable match mid-season saw the Reds playing and winning (43 to 5) in a mud-bath at Burraneer. The whole team returned home caked in mud, but loved every minute of it! The season finished with the Plate Semi-final versus Canterbury. Although it resulted in a loss we saw the boys playing together well as a

Clovelly Eagles JRFC

team and showing great determination against a bigger opposition. Jake Boon from our team also scored the try of the year after our forwards started to push Canterbury backwards.

Thank you to all the parents for keeping the spirits of the team high throughout the season and for getting the boys along to training every week. It is always great to have a crowd there on the sidelines at the Friday night games to cheer the team on. A big thank you to all the boys especially those who found themselves playing out of their preferred positions due to the big size of our squad. Dugald and I are very proud of the boys' improvement and the good sportsmanship that they displayed. They also showed excellent team spirit and started encouraging each other more and more as the season progressed. This bodes well for next year and the tour of New Zealand! We look forward to seeing you all in 2023 and once again thanks to the entire parent group for your involvement, friendship and support of the Clovelly Reds!

“PREMIERS”

This was another fantastic season for this group of boys culminating with an exceptional Grand Final victory.

We welcomed another three players to our Whites family this year and the new boys fitted in seamlessly.

Once again, Brad and I asked the boys to play a very expansive style of rugby. They succeeded by scoring an average of 48 points per game. What impressed us the most this season was their defence. Not only did they average 4 points per game against them, but in the elimination final and the Grand Final they did not concede a point.

Brad and I are very lucky to be able to coach these boys. They are always excited to be at training, have fun and grow their rugby skills and knowledge with their mates. These boys are a credit to our fantastic groups of parents. The support and trust you show in us is unwavering and is appreciated immensely.

Of course we are very well organised thanks to our Manager Amanda, our job as coaches is made so easy because of Amanda, and I know the parents appreciate the overload of information that gets sent out.

We did farewell one of our families this year with the Maitua’s moving interstate mid season, we missed them in the back half of the season and made sure the boys remembered Kyson at the Grand Final.

Coaching twenty 11 year old boys cannot be done by 1 person, Brad and I have the same rugby philosophy, keep hold of the ball and run it from everywhere. This makes coaching with Brad both easy and enjoyable. Thank you also to the parents who help at training by holding the tackle pads and supervising burpees.

We are already looking forward to next season even though it will be our last as the mighty Clovelling Eagles. Enjoy the off season and summer.

Pre-season training for the U12 Blues started with high hopes. With all our U11 squad returning, plus a few players joining us who had been "playing up" an age group, the U12 Blues looked very strong. We also had some gun players joining us from league, AFL and other rugby clubs.

In an early trial v Chatswood C team, we were so strong we had to start taking players off the field. Both our flankers and full back!

At our grading day, we had a hard-fought loss v Chatswood A grade team. And copped a thumping from Warhoonga A grade team.

Starting the season in B grade, the U12 Blues had a few hard-fought losses before being re-graded into C grade. It is worth noting that in our losses in B grade we always managed to put points on the board.

Unfortunately, the move to C grade meant a move to Sunday games - and most Sundays we had up to 8 players missing due to pre-existing AFL and league commitments.

After the first few games of the season, we had also lost two of our best players (Randwick rep players) to long-term injury for our remaining games.

Despite not winning any games in regular competition - in B grade or in C grade - attendance at training and team morale remained high.

With every loss, we truly felt one game closer to a win.

After the last competition game, we took on local rivals Coogee U12 in the annual end of season Poidevin Cup.

The Coogee team had made the semifinals and had 4 rep players in it.

Unfortunately, the U12 Blues lost another rep player to injury the day before the game - and had another two good forwards out too.

With 3 of our 4 rep players injured - plus another three of our best players out with injury - against a very strong Coogee team it was always going to be a tough game! But despite "learning to lose" the whole season, the U12 Blues continued to "play to win" and did win! 28 to 5.

For all our U12 Blues players, this was their last season with Clovelli Eagles. Hopefully next year all players return at Randwick Warriors.

It was great to see 15 of our Reds returning for the 2022 season after strong results under the guidance of Abel Straker in 2021. The 2022 season did unfortunately see us lose talented players and a coach who moved interstate and overseas, but we were blessed with some wonderful boys joining us for what was an unbelievable 2022 campaign.

The 2022 preseason started with the recruitment of a new coach in Brad Ogg who brought great experience to the group and starch to the forwards in what was an uncertain year going into a graded competition for the first time. We were also able to recruit Sam Mott as manager: and what an amazing job she did for the playing and parent group during what was a very busy season.

The season saw us start off with a convincing result against Lindfield and then came a reality check playing and just beating a very tough Harbord team away. We knew then we were in for a tough season. The next few rounds saw some great rugby with a tough game against local team South Coogee who were always up for it, but we held on for a close victory. A couple of big wins after this but also unfortunately a number of serious injuries against Hills saw our current undefeated season under threat. With some new faces onboard replacing our injured players, we were able to overcome a very strong and respectful Chatswood team and steam roll the Harbord and Lindfield teams heading into the finals as undefeated minor premiers.

Wow the finals. What can I say? It was a very intense lead up to the Hills semi-final and it showed in the boy's nervousness in the first half with Hills pulling out all the

Clovell's Eagles JRFC

tricks. It was not until the 30th minute mark that our boys switched on and blew Hills off the park with a 38 -17 victory. With the Hills game done the focus was now on South Coogee our archrival in the grand final.

The day of the final was one for the memory books. It was a beautiful sunny day at Cliff Oval Wahroonga and the energy amongst the team and the families cannot be described in words. The boys were ready, and we had done everything we needed to give South Coogee our best effort yet.

The game started fast and hard with Clovelly dominating South Coogee all over the park and putting on 2 wonderful tries before half time, but the best was yet to come. The second half was everything we had ever dreamed of the boys accomplishing, with easily the best team effort all year. A number of amazing tries which saw the ball be put through the hands and wingers finishing off what any rugby or Randwick supporter would be proud of.

The boys had achieved something very special winning every game and beating South Coogee 35 -10 in the final of SJRU B grade competition. I could not be prouder of the playing group, and it was always difficult to pick the man of the match as the boys showed week in and week out what it is to play as a champion team. Thank you to all the families who supported Brad and myself and to those who helped with official duties.

A season to remember. Clovelly U12 Reds, Undefeated Premiers 2022.

Coaches John McCallum, Justin Harrison & Michael O'Brien

Manager Jennifer O'Brien

The 2022 season was tough for the U12 Whites. We were hit with bad weather, illness and countless injuries, but the boys always managed to play every game with a smile on their faces.

For the first time we played in a Sydney-wide comp and came up against some pretty serious teams in B grade, but we always put up a good fight, sometimes only losing by a try or two.

Our forwards led with their strength and attended multiple scrummage sessions during the year, resulting in a tight and powerful group.

Yestyn, Dex, Enzo, Felix, Ben, Dean, Jack Harrison and Daniel. You boys literally put your bodies on the line for the team this year. At full force, our forward pack was second to none and we saw this during our re-match with South Coogee.

We shuffled our backs around this season but the boys were always up to the challenge. How lucky are we that we have Jacob in the middle, Andy and Harper on the wings, Beau, Kingsley and Symesy in the centres, and Jack Mac at the back. These guys are our speed demons but they also pulled off some big tackles week after week.

A special mention for Barny, Lachy O, Rugby, Paddy and Henry who between them have played just about every position on the field. You five boys never said no to anything and this shows a lot of bravery and maturity. Well done.

Clovelly Eagles JRFC

And while they are officially "Blues", we want to thank Rory, Lawson, Duke, Finn, Jude, Bill and Edwin for filling in for us week after week. You boys made a big difference to our team and we enjoyed playing alongside you.

Thank you to all the parents who brought their sons to training and came to watch the games each week. This is a vital component of making a team successful and the boys appreciate it immensely.

To the coaches, John McCallum, Justin Harrison and Michael O'Brien, we really appreciate you spending time coaching the boys. We know it wasn't easy but you never gave up and we are all very grateful.

Finally, I want to acknowledge the U12 Whites players. You trained hard, played hard and improved immeasurably. Your willingness to keep going was an inspiration to all of us spectators. This season was filled with many highlights and watching the team grow as individuals and rugby players was a pleasure.

Despite the scoreboard, the coaches are so proud of these boys and the mateship and sportsmanship they showed both on and off the field. Some of these boys have been playing together for as long as they can remember and we hope you all take with you many happy memories of your time at Clovelly.

Randwick U10 Representatives

We had 12 Eagles who made their first ever representative side in the Randwick U10 teams for the State Gala Championships in Tuggerah in July. The Randwick Greens went through the weekend undefeated and Randwick White had a strong weekend with 4 wins and 2 losses. Everyone did themselves and the club really proud #upthewicks

COAST V COUNTRY CUP 2022 Camden

This year combined squads from U9 and U12 represented Clovelly Eagles in Camden for the Coast v Country Cup and Sir Richard's Chalice. The Coast v Country Cup is a junior rugby initiative to celebrate a very important aspect of the game - travelling to new places and meeting new mates.

In Terrigal this year teams from the U9 and U12 Clovelly Eagles played for the Trojan Shield and Mark Ella Cup.

These out of town tournaments are a great opportunity to play against different clubs, develop teamwork, make new friends, and enjoy some great games of rugby.

We thank Camden Rugby and Terrigal Rugby for putting on great events and we look forward to many more in the future.
